MIDSUMMER SPORTS.

The Races on the McMinnville Track, July 3 and 4, and Success.

It was early decided in this city that there should be no Fourth of July celebration here this year. But the management of the race course at the fair grounds concluded to arrange for a few good trials of speed for the national holiday, and the success that attended his efforts goes far to prove the interests taken in such sports by a large number of people.

The first race on the programme for July 3d, was a one-fourth mile dash, in which Duda, Racine, Fleeta, Dollars, Kitty Wells and Snowflake were entered. They all came to the post in fine form. It was a fine race, with Duda the winner after a most exciting finish with Racine. Kitty Wells, the favorite, came in last. Time 24.

In the three-fourths mile dash that immediately followed, the entries were Lancer, King, Wheatland and Boston Jr. They were a fine looking quartette, and got away at the second attempt, with Lancer and King in the lead. Wheatland and Boston Jr. half a length behind. Continued in this order for the first quarter, when King and Lancer drew away and ran the first half neck and neck; here Lancer shook off King and came in an easy winner in 1:17 1/2.

July 4th, was a great day; the weather was all that could have been desired, and as the programme promised well, people commenced to gather early. A one half mile repeat running race was first, with Lancer, King and Kitty Wells, Dollars and King to start. Kitty Wells took first heat after a struggle, in 52. Second lay between King and Dollars, the former winning the heat after one of the most exciting finishes ever seen on any track. Third heat lay between the same horses, Kitty Wells being left from the start. The leaders made another grand finish, King winning by a scant half length in 51 seconds.

The race of the season was the 2:30 trot between Jay Beach's Coquette and Wm. Galloway's Lady Beach, both by Altamont; three in five for a \$300 purse. They came on the track in fine trim, and after scoring two or three times, got off with Lady Beach in the lead, which position she maintained to the finish; time, 2:34 1/2. Second heat was a repeat of the first; time 2:36. The third was no so easy, taken as both mares trotted the first half neck and neck, when Lady Beach shook off her half-sister and came home winner in 2:35. The owners of these two game daughters of Altamont have just cause to be proud of this performance. They will be heard of again as they are entered for the fall meeting in Portland, the state fair and in the Yamhill county fair in September.

The pony race was the occasion of considerable merriment, and was won by Granville Shadden's pony.

In the foot races Wm. Martin won the seventy-five yard race against J. Long. Cameron of Corvallis was winner of the 125 yard race, beating Miller, of Salem, easily.

Web Dudley caught the greased pig twice; and another boy whose name we did not learn, succeeded in climbing the greased pole to the top. The day closed with several sprints races among the boys, and the best of which feeling prevailed.

The management is satisfied with the outcome, and returns thanks for the very liberal attendance and encouragement bestowed.

The Celebration at North Yamhill.

A special correspondent sends us the following account of the celebration at North Yamhill:

The celebration at North Yamhill was a grand success. Between 2000 and 3000 people were present to celebrate National birthday. The procession was formed on Maple street by the marshal of the day, J. L. Castle. First was a carriage with the master of ceremonies, the orator of the day, and the reader of the declaration.

Following that marched the Independence brass band, which discoursed lively music throughout the day. Following the band were citizens on foot and on horseback, and last were thirteen lady equestrians dressed in the red, white and blue, representing the original thirteen states. Arriving at the Hanzworth's Park at 10:30 the programme was announced by the chairman Hon. Lee Laughlin. First was a song "Freedom's Sons come join in chorus" by the North Yamhill choir. The declaration of Independence was then read by Prof. J. A. Buchanan. After another song by the choir "Freedom's Banner," Hon. B. F. Underwood, of Boston was introduced and delivered a fine oration. A song by the choir "Patriotic Glee" completed the literary exercises. It had been announced that we would have an old fashioned barbecue. Three heaves, three sheep and three goats were prepared but they were not half enough to supply the crowd with meat.

A base ball game was played in the afternoon between the "Standards" of Portland and the North Yamhill club, for a purse of fifty dollars. It was interesting but rather one-sided. The North Yamhill club won by a score of 13 to 33.
