Gentlemen:—In accordance with our agreement with you and with Martin & Sanders, we have made, on our farm near McMinnville, a thorough test of your "Flying Dutchman" Riding Gang Plow, and the "Cauton Clipper" Trieyle Riding Plow, sold by Martin & Sanders, of this city.

We consider the "Flying Dutchman" to be the better plow for the following reasons, viz., (1) runs lighter; (2) does better work; (3) has better rolling cutters; (4) is more easily adjusted to land; (5) stronger, and, in our opinion, more durable. Yours truly,

Stop in and see us whether you wish to trade or not. We want to get acquainted with J. G. BALLINGER & CO.
