> PRINTERS' INK is just what it purports to be, "a journal for advertisers." It is issued on the 1st and 15th days of each month, and is the representativo journal-the trade journal, so to speak-of American advertisers. It tells the intending and inexperienced advertiser in plain comprehensive articles how, when and where to advertise; how to write an advertisement; how to display one: what newspapers or other media to use; how much to expend-in fact discources on every point that admits of profitable discussion. If you advertise at all, Printers' Ink can hep you. Perhaps you expend but Ten Dollars a year in advertising ; if so, Printers' Ink may show you how to obtain double the service you are now getting for half the money. A year's subscription costs but \$1; a sample copy costs but five cents. Advertising is an art practiced by many but understood by few. The conductors of Printers' Ink understand it thoroughly. Surely their advice, based on an experience of more than 25 years will help you. Address:
