Monday, January 13th, and will continue until close of business on Saturday, March 1st.

During this Sale we shall offer our Entire Stock---\$25,000 worth of General Merchandise at greatly Reduced Prices. The only reserve will be some articles in Groceries and General Merchandise---when manufacturers fix prices that will not admit of cutting. Come early for best selections before stock is badly broken. During this sale it will be our purpose to sell goods low enough to convince the most skeptical that McMinnville can sell as low as Portland or elsewhere, quality of goods considered.

All I Want is Same Terms Extended to Portland Houses--- Cash on Delivery of Goods.

This Sale Will be conducted as nearly on the CASH PLAN as is possible--- No time to keep up book accounts.

TO BE A SLAUGHTER

As we have made arrangements with new Eastern houses and manufacturers, by which we have Exclusive Sale in this place. We must make room for new Stock and want Cash.

It shall be our purpose to close out certain lines entirely. These will be slaughtered at prices that cannot be duplicated when this sale is over. We do not intend to be undersold for same grade of goods here or elsewhere-qualities must be considered, as good goods cannot be bought and sold as low as the trash of auction houses. McMinnville, Or., October 9, 1889. Messrs, J. G. Ballinger, & Co., Implement Dealers, Mc-Minnville, Oregon. Gentlemen:—In accordance with our agreement with you and with Martin & Sanders, we have made, on our farm near McMinnville, a thorough test of your "Flying Dutchman" Riding Gang Plow, and the "Canton Clipper" Tricyle Riding Plow, sold by Martin & Sanders, of this city. We consider the "Flying Dutchman" to be the better plow for the following reasons, viz., (1) runs lighter; (2) does better work; (3) has better rolling cutters; (4) is more easily adjusted to land; (5) stronger, and, in our opinion, more durable. Yours truly,

Stop in and see us whether you wish to trade or not. We want to get acquainted with
