on your memory the following pointed and

pertinent truths, facts and figures: First-

That that there are two ways of doing busi-

ness-one is the old and exploded idea that

you must buy on time and sell on time, that

you must have a set of books and a book-

keeper, a collector, and last, but not the

least, an assignee to wind up your affairs;

that in order to do business you must buy tax-laden goods on time and after having

loaded them to the water's edge with addi-

tional taxes, you sell them on long time to

the consumer. Is it any wonder that there

are so many failures among men, not only

those who merchandise but also among the

tillers of the soil. The old credit system is

I ask is this, first and foremost, come and

see me, and if I have what you want buy it

of me and save from 25 to 50 per cent; if I

should not have the article sought for, then

would be ample opportunity for you to pay
