USEFUL INFORMATION. 28th and 29th did the most damage, and in these counties the grass is rapidly drying up.

Tilbury Fox, M. D., the eminent medical writer, in his work Skin Diseases," thus accounts for the pimples so common on the face and neck.

The cool weather stopped the melting caring while the excretory organs are sluggish, of the snow in the mountains, as a result, all the rivers are rapidly falling. condition, which causes the blood to move slug. The present warm weather may cause gishly, which in turn enfectiles the pores. The as early as possible to insure arrival. The present warm weather may cause result is, that the exuding secretions block in the pores, which inflame, each distinct inflammation being a pimple. Dr. Fox therefore does not prescribe "blood purifiers" so called, but a 'dyspepsia cure" to be taken, to use his own made by Wellington. Success is not won in a moment; it is a growth by launching out into the deep.

James W. Scott had for a subject The Educated Farmer. The true farmer is nature's nobleman. Farming calls for educated men. There is no reason why for educated for the colored posters.

Arrangements are being made to play the Portland league team in this city with an extended pedigree will stand the coming season at the fair grounds in this city under the management of Chas. Woods, He is without a doubt the finest stallion ever brought to this section.
