E. Jessup, of the burden. The war charges are now where the roots penetrate. A row of where the roots penetrate. A row of great paper firm of Jessup & Moore, \$40,000,000 a year more than they were Philadelphia, to Lady Mildred Lyon, in 1865. The continuing burden has been the roots penetrate. A row of trees planted through an orchard or vineyard will cause insects, worms or vineyard will cause insects. second daughter of the Scottish Earl been shifted from one shoulder to the catepillars to vacate that region. Two Strathmore, is a matter of interest. The wedding was celebrated in Scotland on the 1st of July, and the couple went to ligation absorbing one-half the undistributed of the short the honey moon. To Airlie eastle for the honey moon. To minished revenues, and running incomplete the transposition, Mr. Jessup definitely. settles \$150,000 on his bride and becomes a British subject. The only irregularity is that she continues Lady Mildred without bestowing upon him the title of Lord Lyon.

A Danbury correspondent of the Hartford Courant writes that Connecticut city is at present well nigh demoralized by a lottery craze. It seems that an operative in one of the hat factories drew a hig prize in the Louisiana lotdrew a big prize in the Louisiana lottery recently, and a large proportion of the 5,000 operatives in Danbury have been buying lottery tickets ever since. The craze has gone to such an extent that business is interfered with. Famble 10 per long to the Louisiana lottery tickets ever since. The craze has gone to such an extent that business is interfered with. Famble 10 per long to the business men of the republican party will demand recognition through making John their candidate. It is reported that "Uncle John" has sold as spend of the business men of the republican party will demand recognition through making John their candidate. It is reported that "Uncle John" has sold as spend of the business men of the republican party will demand recognition through making John their candidate. It is reported that "Uncle John" has sold as spend of the business men of the republican party will demand recognition through the says that eighteen or more years ago, when Pendleton consisted of a few shanties, he frequently prospected that the under-signed John H. Walker has been appointed by the county court of Yamhill county, Orgon, administrator of the estate of James ago, when Pendleton consisted of a few shanties, he frequently prospected that the under-signed John H. Walker has been appointed by the county court of Yamhill county, Orgon, administrator of the estate of James ago, when Pendleton consisted of a few shanties, he frequently prospected that "Uncle John" has sold agone to such an extent that business is interfered with. Fam-The craze has gone to such an extent that business is interfered with. Families suffer and storekeepers complain loudly. All the working people are talking lottery and it is not the poor alone who buy tickets. It is estimated that Danbury has lost more money in this manner than from all other calamities put together for a long period. There is reason to believe that the prize referred to was allowed to go to Danbury to revive droeping interest, as it is openly charged that the lottery managers shrewdly drop a prize in communities and among classes of the crack of gold, but not in paying quantities, and found traces of gold, but not in paying quantities. In Gibson's gulch leading into Pendleton, at the foot of which the recent find was made, he discovered several colors that the foot of which the recent find was made, he discovered several colors that the prize referred to was allowed to go to Danbury to revive droeping interest, as it is openly charged that the lottery managers shrewdly drop a prize in communities and among classes of the communities and care thereby notified and next enometric leaves the taltely, and t the barbers in that city. The gambling instinct is strong in human nature, and an institution which panders to business is largely done through the close of the quarter was 327, being 6 less to have lost all ambition save for money Sold by Rogers Bros., sole agents for Mcthan at the beginning of the quarter. making.
