"I never put myself up as much of a bear killer," said Mr. Gleasou, rather better known as "Old George," of Gorman's station, Los Angeles county. "As a matter of fact, during the thwen ty-five years I've been fooling around the mountains it has been my practice to let 'em alone if they let me alone, and if they don't let me alone to climb a tree and let them get tired.

"But there was one time that I broke my rule. I have roosted with the flycatchers more than one night to avoid was called upon to make a statement in getting into a muss with a bear, and I interfere when somebody else was do-this was no doubt increased during the ing the roosting, except this once. It was about twelve years ago, and Parson Honeyfoot was preaching around Porous Plasters; it is said that this one And the Gardiste Marcau with a mitithese parts. first in one camp and in another, usually winding up here at Gorman's on Sundays, when all the and you want to buy Allcock's Porous "Call a p boys would come in from the camps Plaster-you have got to have them or ordered the czar, whose turn came next. and mines after their mail. When grizzly. He was across the canyon you get to their office and apply at a of that window. from me, and as he seemed to be going right ahead about his own business I just sat down and walted half an hour to give him a chance to get out of my way. Just about the time I was ready to move on there was a smashing in the brush where I had last seen the bear, and the blue burro the parson always used came tearing and braving down the trail. I knew him by his only having one ear, he having lost the other fooling around a buzz upon the Sawmill mountain. I waited to see five per cent. what he was running from, but nothing came, and pretty soon I jogged on. I was kind of anxious about the parson and kept my eye out for him. After a little I heard his voice shouting down in a gulch off the trail, and right away I found where the bear's track turned
