Mr. A. H. Cowles, a member of the McMinville Flouring Mills Co., arrived in town from his home in California last Saturday.

A number of the young men of the town are storing their brains with logic. It is a splendid way to spend the long winter evenings.

Wallace & Todd have a good selection of holiday goods. Call and see them. Novelties in crockery, etc. Fresh candies.

Fred Harris is spending a few days in Polk county for his health. We wonder what makes Fred prefer the Polk county climate.

Next Saturday a shooting match will take place in Dayton. A large number of turkeys have been procured, and all who attend will have a good time.

Mr. Shimer brought in two very fat hogs and sold them to H. M. Bond. The two weighed 728 pounds. One turned the scales at 400 pounds and the other at 288.

Mr. Thad. M. Grubs, formerly of this city, but now in the drug business at Springfield, Lane county, was married December 3, 1890, to Miss Martha McBee, of that city.

At the city election held at this place last Monday, the following named gentlemen were elected as trustees, John Thompson, Hon. P. F. Gates, M. J. Hamilton, H. Johnson and Z. E. Perkins. For recorder, E. Carpenter, treasurer, Hon. E. P. Bird, marshal, J. Houston. There were only 15 tickets in the field, and a great deal of scratching was indulged in. There were only 90 votes cast, which was not near a full vote.—Ledger.

Mr. Glenn, the superintendent of light and water, deserves a whole lot of credit for the manner in which he repaired the dynamo. The armature was badly burned and after two days work of splicing and rewinding she is putting out the same current as before. Some time ago the same thing happened to the Corvallis plant and the town was in darkness for several days. A man from the East was sent for to rewind it. So you can see we fared much better, being without lights for two nights only.

Sold Book, the wealthy Chinaman of Portland, has ordered a large number of Chinese singing birds brought over in the Coloma, which vessel he is part owner. The steward has been entrusted to purchase all the birds. This will be a valuable addition to our already long list of foreign songsters. Oregon enjoys the distinction of being the only state in the Union which is being stocked with foreign song and game birds. By the way, we saw a dead German lark the other day, probably killed by a bullet shot in the hands of one of McMinville's tough kids.

John J. Maddock, of the First National bank of Goldendale, seems to have some aspirations in the direction of being a town proprietor. At least he now owns a piece of land in the town of Columbus. Deeds have just been recorded wherein he acquired possession of Amos Stark's interest in the town for \$8500. It is acres from Mr. Samuel Price for \$900 and 40 acres from Wm. Hechthorn for \$2,900. Although this land is much of it valuable fruit land and will always be good property, we understand that it was purchased on account of the bright future he thinks is in store for the town of Columbus when a railroad is built along the river. We trust he may realize his fondest hopes, if he does, however, it will be no consolation to the superiority of some men's foresight over that of other men.—Times-Mirror, Grays.

Coal in Chehalis.

M. M. Edwards brought to this office yesterday a block of stone coal four by six inches, that was taken from mother earth only two and a half miles from town on the Tillamook farm. Mr. Trendlinger has been of the opinion that there was coal on his farm for some time and two days ago began to prospect for it. After digging down 12 ft. they found a vein of fat thick which has the appearance of increasing in thickness. The specimen brought in by Mr. Edwards appears to be of good quality. They are still sinking the shaft and we hope by next week to be able to chronicle a rich find.—Graphic.

Lucia B. Griffin, Elcutionist.

The entertainment given by Miss Lucia B. Griffin for the benefit of the public school was well attended and netted the public school \$25.00. The work of Miss Griffin was payable, but by no means up to the standard. The entertainment was pleasing because new, and the people generally were well pleased. Far better elcutionists have appeared here in the past, and will probably appear here in the future.

She moved a little nearer then, and answered: "Lovely Sir, The one of all that suits me most is the Wayland Register."

Just kiss her on the other cheek, and see what she thinks of that. Then press her for her answer, and she'll say, "The Democrat!"
