a howling wind sweeping past and a dash of rain, all the better enabling us to ap-preciate that description of a tempest BROOKLYN, Dec. 14.-Today Dr. Talmage preached the twelfth sermon of his series which no doubt was suggested by what David had seen with his own eyes among on Palestine and the adjoining countries After delivering it in the morning in the Academy of Music in this city, he preach-ed it again in the evening in New York, at the service held under the auspices of The Christian and sector with his own eyes shorng these heights, for as a soldier he carried his wars clear up to Damascus, and such a poet as he, I warrant, spent many a day on Lebanon. And perhaps while he was seated the service beld under the auspices of The Christian Heraid. Before commencing his sermon Dr. Talmage stated that in spite of all the efforts that were being put forth to hasten the completion of his new Taber-the Lord is powerful. The voice of the Lord JOB WORK NEATLY AND QUICKLY EXECUTED at reasonable rates. Our facilities are the best in Yamhill county and as good as any in the state. A complete steam struction so imperative that, judging by present indications, it would not be ready maketh them also to skip like a calf, Lebfor dedication before Easter. He was happy to say, however, that the hospitality of The Christian Herald, through which these Sunday evening services in New York As the lion is the monarch of the fields

these Sunday evening services in New York had been held, would be continued, and the publisher of that journal had already the cedar is the monarch of the trees. And secured an extension of the lease of the Academy of Music. He would therefore up and down the Bible is because we need be able to hold services there every Sunday evening until the new Tabernacle was fin-life. We have too much of the willow, and ished. Owing to the inclemency of the weather he would discontinue the custom of giving an address out of doors after the regular exercises to the crowd of people tree, and our sharp points sting and wound; who had been unable to gain admission to the Academy; but the publisher of The Christian Herald was endeavoring to ob-tain the use of a church or public building tain the use of a church or public building in the neighborhood in which an overflow run their anchors down into the caverns of service could be held. Dr. Talmage then the mountain and fasten to the very founounced as his text Psalm civ, 16, "The dations of the earth, and twist around and cedars of Lebanon which he hath planted," clinch themselves on the other side of the and preached the following sermon: deepest layer of rock they can reach. - And In our journey we change stirrup for wheel. It is a four o'clock in the morning who stand and Christians who fall. It is All subscribers who do not receive there paper regularly will confer a favor by im-mediately reporting the same to this office. of Independence. Some time ago A. Pentand is going for the tax question for bis death, I saw on the banks of the saks of the saks democracy and lures sinners from their downward path into the back of emotional, and I could understand how he fice and there attempts to gather in fif-ty of their bright sesterces for a whole year's subscription to the new anamoly, the stroke of some one without sense or the West Side.

The revolts of the farmers' and laborers' unions against plutocratic legislation are distinctly revolts against republican policy, and are to deep rooted and strong to be downed by party discipline or Force bill measures. They plainly imply that the republican party must go through a transforming change of front or be wrecked to furnish the material for a new organization.

How to Succeed.

This is the great problem in life which few satisfactorily solve. Some fail because of poor health, others want of luck, but the majority from defiency of grit-want of nerve. They are nervous, irresolute, chang-able, easily get the blues and "take the spirits down to keep the spirits up" thus weating time money opportunity and wasting time, money, opportunity and nerve force. There is nothing like the Re storative Nervine discovered by the gre specialist, Dr. Miles to cure all nervo diseases, as headache, the blues, nervo ostration, sleeplessness, neuralgia, St Vitns dance, fits, and hysteria.
