A SUBLIME FAITH. I like the faith displayed years ago in Drury lane, London, in a humble home where every particle of food had given out, and a kindly soul entered with tea and ed their names to be presented and a gether all the cables and cordage I have on strong fight made for one of them, Mr. board, I will not be able to touch bottom. Tongue, but when the time came Simon All the power of the Christian religion is in that word "Come." The dictatorial lady said, "How is it that you have the kettle ready for the tea when you had no but an attempt to force open our door would land the assailant in prison. Our leave me to starve at last. He will send us theological seminaries, which keep young help, though we do not see how.' We have been waiting all the day for something to come, but until we saw you we knew not how it was to come." Such things the world may call coincidences, but I call them almighty deliverances, and, though ring every hour of every day and in all But the word "Come" applied to these

> unless it be uttered by some one who has experienced that solace. That spreads the responsibility of giving this gospel call among a great many. Those who have lost property and been consoled by religion n that trial are the ones to invite those who have failed in business. Those who have lost their health and been consoled by religion are the ones to invite those who bereavements and been consoled in those bereavements are the ones to sympathize with those who have lost father or mother multitudes of us are alive today and in would have been broken down or dead ing help of our holy religion! So we say 'Come!" The well is not dry. The buckets are not empty. The supply is not ex hausted. There is just as much mercy and condolence and soothing power in God as before the first grave was dug, or the first tear started, or the first heart broken or fortune vanished. Those of us who have felt the consolatory power of religion have a right to speak out of our own experi

> THE WORLD'S DISMAL CONDOLENCES. What dismal work of condolence the world makes when it attempts to condole The broken bones under their bandage do storm on a prairie of the far west. Night m not knowing which way to go, his he said, "I will follow this rut, and it will until he heard the bells of the preceding horses, but, coming up, he found that that man was also lost, and, as is the tender of those who are thus confused in the forest or on the moors, they were both moving in a circle, and the runner of the one lost sleigh was following the runner of the other lost sleigh round and round. At last it occurred to them to look at the north star, which was peeping through the night, and by the direction of that star they got home again. Those who follow the advice of this world in time of perplexity are in a fearful round; for it is one bewildered soul following another bewildered soul, and only those who have in such time got their eye on the morning star of our Christian faith can find their way out, or be strong enough to lead others with an all persua

> > When Russia was in one of her great wars the suffering of the soldiers had been long and bitter, and they were waiting for

One day a messenger in great excitement ran among the tents of the army shouting "Peace! Peace!" The sentinel on guard asked, "Who says peace?" And the sick soldier turned on his hospital mattress and asked, "Who says peace?" essness, and he will not and down the encampment of the Rus peace?" Then the messenger responded "The czar says, peace." enough. That meant going home. That meant the war was over. No more wounds and no more long marches. So today, as one of the Lord's messengers, I move through these great encampments of souls and cry: "Peace between earth and heaven! "Peace of God that passeth all understand

ing!" Everlasting peace! Awful rollers lash themselves into foam on the exposed west coast of Ireland and the silvery spray rose one hundred and fifty feet. Two life saving boats pulled out to sea from Dingle bay to test their qualibreaking over the headlands and surmount One remained under the lee of the land into the seething waters. A tremendous wave swept in from seaward, extending right across the bay, and increasing its height as it reached the shallow water where the boat was. The coxswain headed his bont to meet the wave, the men steadily strained at the oars, and she flew into the roaring cataract, whose overhanging crest was twenty-five feet above her. Down came the mass of water upon their devoted heads, washing out two of the crew.

Crushing the boat bodily under wate the wave bore her astern at an awfu Each of her crew was bowed dow on to the thwart before him. One was stunned, but the others were conscious their eyes wide open, but in total darkness were still attached to the boat, but felt as though whirled through a railway tunnel. The boat emerged with each man sitting in his place, and the first object which me their view was a buoy close alongside which was nearly a quarter of a mile from the place where the wave had overwhelmed She had retained the vertical position during her submersion.—Chambers'

A Kingly Question A domestic belonging to the court of Frederick the Great one day thought to please that monarch by appearing before him in an elaborate flesh colored coat. Perceiving by the great Frederick's manne that he had made a mistake he hastil withdrew and reappeared with a more fit ting garment. The king, apparently no noticing the change, at length turned to him and said, "Tell me, my friend, who was that coxcomb that appeared at San Souci just now in a flesh colored coat!"— Clothier and Furnisher.

"But," says some one, "you Christian people keep telling us to 'Come,' yet you do not tell us how to come." That charge shall not be true on this constitution of the control of the contr ing the fact that they are scaled instead of being feathered. A Collection of Well Known Saws.
