est and most interesting figures. Each senator, one who never makes speeches, faller and the hat is a different shape, is 73 years old, and Mr. Evarts will in a he leaves behind him a very good record. This hat, which is so fearfully and won-pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to pacing up and down the room; he said to paci Buy Now Before Too Late.

Driven out of patience by this boast—
which in my mind was so little justified—
ing at sea in 1849. It contained documents electoral commission, of which his friend clear out their desks, pick up their hats by the clever fingers of one of our own and above all by the shameful means he from Sir J. Franklin, bearing the date had employed to reach his aim, I replied to June 30, 1845, which was but a few weeks him, though culmly, that I did not see after the illustrious navigator had set sail things from the same point of view that he did, and that I believed he had lost to the north pole, whence he did not remore than he had gained by the Bayonne turn. Her majesty's ship North Star was events. "What do you mean by that?" he inquired "Well," I answered, "the thing is very plain, and I will show it to you by an example. Let a man of the world be patch was placed in each of twelve cylinan example. Let a man of the world behave foolishly, let him be a faithless husband, let him even commit grievous faults against his friends he will be blamed no against his friends, he will be blamed, no and the remainder were put inside of casks, doubt; but ff he be wealthy, powerful, which were thrown overboard to drift clever, society may be somewhat indulgent | whithersoever wind and currentshould de-

A Syracuse street car borse which got into the habit of kicking was tied in a stall and a bag arranged for him to practice on. He began at 7 in the morning and kicked until 11:35 without a let up, and Experiments have recently been made to then, broken hearted and disgusted with

> "There's a hair in this soup," complained "Yes, sir," replied the waiter, cheerfully, "but perhaps its one of your own, sir.
