How They Won \$50,000 at the Races after Business in McMinnville!

THE FIRST PRIZE OF \$10,000 they won was a good name for Square, Honorable Dealing. The Second Prize, \$80,000, they won when they secured the agency of Yamhill County for the CELEBRATED SUPERIOR STOVES AND RANGES made by Bridge, Beach & Co., of St. Louis. They are so well known and have an enviable reputation, which accounts for Opposition trying to adopt Our Stove's Trade Mark "SUPERIOR," by attaching it to another line of stoves. Don't be deceived; all stoves with Bridge, Beach & Co's name are called Superior, others are counterfeit. And when we sell Ten Thousand more of them, as we surely will in the next ten years, we will have our \$80,000 clear. The Third Prize of \$18,000 is what we have been able to save our customers by Cutting Down Prices and Giving them the Best Goods in the Market for Less Money than they could get them elsewhere, and that is what they owe us in good will. Now we have Accepted the Agency of STAVELAND & WALKER, and arranged to Buy a good many Farm Goods in the East direct. And by seeking to please and benefit you in every way in our power we shall try to make the other \$14,000 if life last long enough.

WERE ALL DIAMONDS BROUGHT BY METEORS?
Professor Henry A. Ward's Story of a Mighty Bird's Nest—A Plan to Cultivate the Intellect of Ape-Curious News About Grains and Grasses.
WASHINGTON, August 29.—Of all the curiosities which the wise men of the Association for the Advancement of Science brought to Washington for exhibition to their fellows, the most extraordinary was a meteorite with diamonds in it. Such a thing had never been seen or heard of before; in fact, it was the only specimen of the kind thus far discovered in the world. The diamonds were little ones, but what they signified was big.
