Great Relief

[S] instantly afforded sufferers to Bronchids, by the use of Ayer's Cherry Pectoral. Either an anodyne, to allow inflammation, or an ex-pectorant, to loosen and bring away the mucus, this preparation has no equal. "Last winter I contracted a severe cold, which, by repeated exposure, became quite obstinate. I was much troubled with hoarseness and bronchial irritation. After trying various medicines, without relief, I at last purchased a bottle of Ayer's Cherry Pectoral. On taking this medicine, my cough ceased almost immediately, and I have been well ever since."—Rev. Thomas B. Russell, Secretary Holston Conference and P. E. of the Greenville Dist. M. E. C., Jonesboro, Tenn. "My mother was sick three years and very low with bronchitis. We feared nothing would care her. One of my friends told me about Ayer's Cherry Pectoral. She tried it, has used eight bottles, and is now well."—T. H. D. Chamberlain, Baltimore, Md.
