THE USE OF DISGUISES.

HOW A GREAT DETECTIVE HIDES HIS IDENTITY

The Detectives of America do Not Em ploy Disguises Except in Very Rare

The popular idea about a detective is that he prowls about disguised in all sorts of manners, infesting the baunts

of the mysterious murderer or of burglars of high and low degree. But that idea is far from being the correct one.

any disguise whatever. Particularly is

this true in America. A notable excep-

great Paris detective, Rossignol, who

seems to have the capacity to assume any character that will aid him in the

They say in Paris that the good father gave to Rossignol two things-one physical, his face; one moral, his courage. His face wears such an expression of honesty, frankness, sincerity

and innocence that one turns and looks after him for his wings. And his courage-ah, yes, you shall hear of his cour-

nervous because she wears her diamonds

detection of crime.

It can be given in a cup of tea or coffee without the knowledge of the person taking it, effecting a speedy and permanent cure, whether the patient is a moderate drinker or an aicoholic wreck. Thousands of drunkards have been cured who have taken the Golden Specific in their coffee without their knowledge, and today believe they quit drinking of their own free will. No harmful effect results from its administration. Cures guaranteed. Send for circular and full particulars. Address in confidence, Golden Specific Co., 125 Race Street, Cincinnati. O.

AND MOST ECONOMICAL.

Is that of Dr. Price's Cream Baking Powder. It is prepared with greater care and accuracy, from finer and more expensive materials, competent chemists test every ingredient nothing is left to chance. No ammonia, alum or other adulterant taints this purest of human food products. Dr. Price's Cream Baking Powder is the embodiment of all the excellence that it is possible to attain. It is always uniform and reliable and retains its full strength until used. It is not only more economical because of its wonderful raising power, but by reason of its greater bulk, the cans being much larger than the ordinary kind; it will go farther and do better work. It never disappoints. Dr. Prices is the only baking powder that contains the whites of eggs.
