To briefly dispose of single women's to be specially provided for.

property rights, it may be said that they are the same as those of men, with the exception of the ability to influence the taxation of property by vote. In some of the states there is this slight possible advantage—that the age

of legal majority is at eighteen instead

trol of any property she then had or every might thereafter acquire, retaining no evid that, whatever the wife may or rights but such as he consented to give may have done, she was a good deal Of course this has been mitigated in her husband was.

many cases by a marriage settlement, by which the husband agreed that the wife should retain possession of the property she brought to him. But we have changed all that, or most

of it, by statute, so that today in most

of the states the rights of a married woman in her own property are as absolute as those of her husband in his. The husband's control of his property s not, strictly speaking, absolute is subject to the debts of his wife, to the support of the family, in a few states to the debts of the wife incurred before

The wife's rights in her husband's roperty, therefore, are generally greater than his in hers.

The law, holding a man responsible for the support of his wife and children regards the wife as the agent of the husband and holds him responsible for any debts she may contract. In cases where a man advertises that

he will not pay his wife's debts the courts may hold that it has no greater still responsible for bills for necessities. property—that is, property which has property—that is, property which has eggs in winter.

THE BAGGAGE CHECK

A Device that Made Its Way Rapidly to General Adoptio

The alleged origin of the decidedly useful baggage cheeks has been told by D. Merrell, of Union City, Mich., as

"John Palmer of my town is the inventor of the baggage checking system. I will tell you his story as he told it to me. John Palmer was born in Engto of the cases it has become violin enlivened many and many a winter night. One constant annoypeople had in finding their coats, hats, wraps, robes, etc., after the party broke Well, it was announced that there Thanksgiving evening, about 1850, and Chair-Any young women who like to Mr. Palmer was to have charge of the ask friends to the excursions are more music. He knew that there would be would be lots of trouble with the clothing, and he went to work to devise a

plan to obviate it. "Well, after studying on it for a long Mrs. W. G. Ford, of Bensonhurst, Long time he had solved the mystery. He to the debts of the wife incurred before Island, helped her husband capture a bur-marriage and in a great many to the glar, and after he had surrendered dressed in the had solved the invisery. He the greatest blessings to the business world was born. Now for the first pendent. Incubator chickens served test. He had four children; he took broiled in a restaurant are all too often a delusion and a snare, but there is all by themselves, put tags 1, 2, 3, 4 on ways good demand for eggs. Everybody each lot and put them away. When eats them. The woman who would study they got up they inquired for their her ground carefully, select a location shoes. He gave each one the check near a good market and go slow, learning as she went, could not fail, with a their shoes, and told them to go into force than as a warning, and that he is small outlay of capital, to succeed well.

The egg business is in no danger of being overdone, especially that branch of by comparing the numbers. Each one In almost every state a wife's separate it which looks to the production of fresh got its own. Now for a trial on a larger scale. He prepared a lot of checks in the same way for the guests at the party. About the first to arrive were the A GARGLE of salt water as hot as can four railroad men from Marshall. Of be used is one of the best, as it is one of these three took their checks; one would the simplest, home remedies for sore not have the thing and threw it on the throat. That persisted in, with a call floor. When they called for their clothes they had forgotten all about the checks and demanded their clothes. Mr. Palmer asked them for their cheek. After hunting some time the three pro-

duced their cheeks and at once received any man could avoid paying his debts by with foods containing a large amount of their goods. They had to identify the "Shortly after that there was another party at Burlington and among the first to arrive were six railroad men from Marshall, including the first four gaging it, yet the increase and profits of the property (interest, rents collected, them a moment. When cool put them railroad men. They said they wanted Eig's their things checked the same as be evening and went away convinced that that they had found a grand idea. In-side of three months it was adopted by
