A Grand Result.

The recent clean-up of the Ashland

Mining company, after a continuous

run of 20 days, the result in gold from

202 tons of ore crushed amounted to 426

ounces of gold of the value of about \$15

per ounce, or almost \$6400, was a sur-

prise to even those who were familiar

with the mine. Much greater show-

ings will surprise the public in the im-

mediate future, for the ledge is now in

condition to work on pay ore constant-

ly, and a mill of even greater capacity

than the one now in use could be prof-

itably employed for a long time from

indications. The new era in mining in

southern Oregon has dawned, as all

will realize in the near future .- Jack-
