War Over the Empire Modes Still

There is a prolonged and fierce battle going on all the time with regard to the unced empire fashions between the modistes and the vraie elegantes, who cannot reconcile themselves to the ugly and ungraceful outdoor and indoor gowns and cloaks. It is, however, one of two things-you must wear empire or not wear it. If you do you make your self ugly, and if you do not you are out of fashion

There are some few who look fairly ell in the enormous gigot sleeves and short waist. Among them I noticed the other day the handsome young Duchess de Bligny, who wore a costume of peau de soie with changeable effects, russel red and green, which was very hand some.
