THE FIREMEN'S ENTERTAINMENT.

A Royal Array of Musical and Dramatical Talent. Friday night probably the best local entertainment of the season was given at the opera house by the firemen for the benefit of the citizens.

Some \$110 is now on hand as a result of the entertainment to be expended for a district fire alarm system. The musical part of the program was highly appreciated, the particular stars being Mrs. Evenden, Mr. Epping, and M. Bettman.

Mrs. Annie Evenden rendered "Le Reveil du Lion" by de Kontski. Mrs. Evenden always pleases her audience and the applause at the conclusion of the solo was loud. J. Adrian Epping, director of the Portland conservatory of music, has a voice of excellent cultivation and sang the Toreador Song from Carmen. He caught the audience and they demanded another song, which he rendered. Judging from the demonstration made after his first song and after his second appearance when he rendered a Redon love song he made the hit of the evening.

H. L. Bettman on the violin and Mrs. Evenden on the piano gave an excellent rendition of "The Kroutzer Sonata." The people had the pleasure of hearing three good performers, as good as can be found on the coast in their several lines when they listened to Mrs. Evenden on the piano, Mr. Epping in song and Mr. Bettman on the violin.

Outside of the three above mentioned Master Harvey Willis, five years old, captured the populace by some very clever dancing to the music of his father, John Willis, on the violin. The first number of the program, "Overture der Freischutz" by Czerny, was very well rendered by Misses L. E. and M. Apperson.

"Christmas Night in the Quarters" by Tom Cooper pleased all lovers of recitation. The quartette consisting of Miss J. Gortner, Mrs. Rogers, Messrs. Rogers and Eckman rendered "The Lost Ship" by C. A. White. Mr. Eckman is something new in the local field, and has a very pleasant voice. The attainments of the others are so well known that mention of them is not necessary.

"Red Jacket," a recitation by Natalie Ungerman, was a good production for so young a person, while Miss Cora X. Young shone forth very near to a professional reader in her recitation of "The First Settler's Story." A step or two more and she will be in the professional ranks as far as elocution is concerned.

The comic song "Katty Kissen" by John Pansyorkski Evenden, was well received and was full of mirth. John is fast going to the front as a composer of verse.

In the drama of "The Last Loan" the young men of the city acquitted themselves nobly. We fear to mention any names, because it is well known that all actors think they are the best, and we do not wish to disturb this conviction.

Deserving Praise. We desire to say to our citizens, that for years we have been selling Dr. King's New Discovery for Consumption, Dr. King's New Life Pills, Bucklen's Arnica Salve and Electric Bitters, and have never handled remedies that sell as well, or that have given so much universal satisfaction. We do not hesitate to guarantee them every time, and we stand ready to refund the purchase price, if satisfactory results do not follow their use. These remedies have won their great popularity purely on their merits. Rogers Bros., druggists, 1

DEED. HUBBS—At his residence north of this city on Monday, Jan. 16, 1913, J. S. Hubbs, aged 68, of heart disease; funeral held Wednesday, Jan. 18, at 10 a. m. from residence.

Mr. Hibbs has long been a prominent resident of this county and has held office in the gift of the people. He always had the reputation of being a man whose word was as good as his bond, and was respected by a large circle of friends. He accumulated considerable property and was at all times to be found on the side of progress. His death is lamented by a large number of people in all parts of the county.

SQUIRE—Frank G., youngest son of George and Emily Squire, on Jan. 12, 1913.

For the next thirty days Apperson will be kept busy invading his stock, as the clerks go through. All broken lines, odds and ends, will be carefully assorted out of every department. The goods assorted out will be sold at just one-half price to clean them up, making the greatest bargains ever offered the public. As these are good seasonal goods, and sold at these low prices simply because of being broken lines, it is not likely they will last long. Therefore those coming early and often will get the best bargains. All goods included in our Odds and Ends sale will be sold at regular prices.

School Report. Report of school taught in district No. 35, Yamhill county, Oregon, for the month ending January 15, 1913. Co. days taught, 29. Average daily attendance 25. Roll of honor, not absent nor tardy, William and Harvey Vaughan, Eldon, Herman, Ellis and Elsie Winters, Onie David, Effie Tolson, 88 per cent. Names of visitors: Mr. and Mrs. A. S. Vaughan, N. L. Wiley, Geo. Tolson, David Galsner.

Important. The entire stock of Boots & Shoes, Hats, Caps and Furnishing goods of A. E. Cady is to be closed out immediately. I have a large stock of goods in all lines and more on the road which an expecting every day which I had ordered for spring trade, but having made up my mind to close out I will sell all goods as low as cost and a great many below. Here is a good chance for a person to step right into a good business which will bear investigation. Shelving, counters, window fixtures, in fact everything, for sale. Thinking the people in and around McMinnville for their liberal patronage while here, and soliciting a continuance in this closing out sale.

I am Yours Respectfully, A. E. CADY, F. W. Cady, Agt.

COUNTY TEACHERS' ASSOCIATION.

They Will Not Divide Their Time With School Supply Agents—Good. The teachers of Yamhill county met Saturday, Jan. 14, in the B street school building, McMinnville, for the purpose of organizing a county teachers' association. The meeting was called to order at 10:30 by Supt. Stillwell, a large number of the teachers being present. The following officers were elected: Supt. Stillwell, president; S. S. Duncan, L. H. Baker, J. C. Hodson and J. G. Hadley, vice presidents; J. A. Buchanan, secretary; Mrs. M. C. Matthieu, treasurer.

J. A. Buchanan, J. A. Deach and L. H. Baker were appointed to draft constitution and by laws to report at the next meeting. The program prepared for the occasion was taken up. Mrs. Matthieu read an interesting paper on "Music in the Public School." This was followed by S. S. Duncan, of North Yamhill with a paper on "How to teach reading." Mr. Duncan is a strong advocate of the phonetic method, and would begin with that method when the child first enters school. L. H. Baker, who champions the word method, immediately challenged the plan of the teachers. He opened the great part of an hour. The afternoon program was then taken up and a beautiful duet was rendered by Misses Apperson and Ballinger. The pupils of Mrs. Johnson's room sang two songs, "The Block" and "Women's Rights," which reflects credit upon their teacher for they show excellent training. Cecil Peckham, of Miss Granda's room, sang a pretty solo, "My Grandmother." L. H. Baker, of Lafayette, next read a well written article on "The Teacher." Though prepared in a short time, the general fund of information and years of experience, together with the natural ability of the writer combined to make an excellent paper, which was appreciated by every teacher present. Miss May Pond recited "Betty Hamilton visiting old Mrs. Rainey" in a creditable manner. The association then sang "Bringing in the Sheaves."

Miss Ella Woods read an interesting paper on "What shall we teach?" after which a five minutes rest was declared. After recess Supt. Stillwell talked for a few minutes on the "World's Fair exhibit and urged the teachers of the county to prepare work that our part of the state may be represented there. C. A. Deach, of Dayton, read a paper on "Mathematics," after which L. H. Baker presented the following resolution which was unanimously adopted: "WHEREAS the institute is a means of improvement and interest in general, and particularly so for the teacher, and WHEREAS, certain persons acting as agents of publishing houses representing school supplies and devices, ask and insist upon presenting the merits of their wares, and WHEREAS, our time is necessarily limited, therefore, Resolved that it is the sense of this meeting that one thus employed should be divided with said agents.

It was decided that the teachers of the association will have an old fashioned spelling match at the next meeting, also a "ciphering" match. The following committee was appointed to prepare a program for the next meeting, of which committee the county superintendent will be ex-officio chairman, L. H. Baker, Miss Ollie Peters and Mrs. Matthieu.

The following teachers were present: J. B. Stilwell, L. H. Baker, Frank Billington, C. A. Deach, E. E. Washburn, Mrs. T. G. Bronson, Mrs. C. M. Vincent, Hattie Papa, L. E. Fryer, Miss Rummel, Miss Hoberg, Hattie Gowdy, Miss Downing, May Million, Miss Ella Woods, J. A. Buchanan.

The next meeting will be held in Lafayette, Saturday, Feb. 4, 1913, beginning at 10 o'clock a. m.

Immense—That's What They All Say. It is customary in these latter days to express our perfect satisfaction with a thing by saying "it's immense!" It's so expressed that it can be added. Geo. L. Fink, Philadelphia, Penn. says, "My wife has been taking your New Cure for the Heart and it is immense! She had been troubled with pain or smothering spells since using it." Jno. L. Roberts, Slaton, Penn., says the cure is "immense" and has suffered from heart disease over forty years. Was treated without avail by prominent New York physicians, grew constantly worse; took Dr. Miles' New Heart Cure and was completely cured. Sold by Rogers Bros. on a guarantee.

Card of Thanks. We wish to extend our thanks to the friends who so kindly volunteered and rendered aid to us during the sickness and death of our son. MR. AND MRS. J. DEMPHEREY.

A Landlide—Very Marked Results. The term landslide usually conveys an impression of disaster, whereby many are killed, but this time it is used to indicate the enormous sales of Dr. Miles' Restorative Nervine, a remedy that is daily saving the lives of thousands who are suffering from nervous disorders. It cures palpitation, nervous prostration, headache, lachrymation, spinal diseases, hysteria, ill effects of spirits, confusion of mind, etc., and builds up the body surprisingly. Brown & Maybury, Portland, New York, say one patient used Nervine and gained fifteen pounds of flesh. Sold by Rogers Bros. the druggists, on a positive guarantee. Get a book free.

NEWS RETOLD.

Interesting Paragraphs from our County Exchanges. [Sheridan Sun, Jan. 13.] The firm of Simpson & Co. has dissolved partnership and the business will be continued by I. P. Mayes. Los. Hembree of this city reports having seen a wild strawberry vine in full bloom one day this week on the hills.

The S. P. Co. is putting in a new turn table near the depot. It is of the latest pattern and so constructed as to be easily changed for standard gauge engines. H. T. Graves received this week 100 apricot trees which he will set out on his farm. Apricots are said to do well in this valley, bringing quick returns, although little is known about how they do in this section.

[Amity Popgun, Jan. 13.] Uncle Dick Simpson is on the sick list. A fine baby boy arrived at the home of R. W. Lancelotti Monday night. The infant child of F. M. Yarns died Tuesday night.

Born, to the wife of P. P. Durant, on Thursday, Jan. 12, 1913, a 12 pound daughter. J. E. Jensen, who lives near McMinnville, was in Amity Friday. He tells us of his success with one of Walker & Wolf's grubbing machines, which he has been operating lately. The machine was recently purchased by Jensen & Clark, who have been using it on the Smith Allen place near the county seat. In 31 days they cleared 2 1/2 acres. A fir stump 24 inches through was easily extracted with one horse, with the cable fastened but 24 inches from the ground. The machines will surely work a revolution in the pigtail region yet extensively in vogue.

[Newberg Graphic, Jan. 13.] B. C. Miles entered upon his duties as cashier of the bank of Newberg the first of the week, and is fast acquainting himself with the run of business. Fruit trees seem to be loaded with fruit buds and less something of a serious nature intervenes between this and the fruiting season, a very large crop may be looked for in this community.

We are informed by Moses Votaw that Newberg is to have a new bank at an early day. He has been busy during the past week soliciting stock for the corporation and thinks they will be ready for business in a week or ten days. The capital stock will be \$40,000 but what part will be paid up we have not learned.

Alfred M-core who is an enthusiast on Oregon climate, made a tour of the town yesterday morning and made a collection of flowers from gardens for a bouquet. The bouquet, which was a very pretty one, consisted of six varieties, viz: raspberry, rose, daisies, carnations, pansies and evening-blooming marigolds.

Sam Shultz seems to be an unfortunate man lately. He cut a big fir tree a few days ago that stood near his house, and like the gun that "was not loaded," it went square across his house, almost demolishing it. His wife and child were away from home however, and no one was hurt.

[North Yamhill Leader, Jan. 13.] Over 10,000,000 pounds of freight was shipped from this place during the year 1912.

The cheese factory building is nearing completion and judging from the size of the building it will be a factory with large capacity.

We are informed that this county has purchased a rock crusher and engine, and it is now in order for our citizens to secure the use of it and see if they can not get some extra help from the county in improving the road between this city and the depot.

[Dayton Herald, Jan. 13.] While at work grinding one Charley Spaulding's place last week, E. Mary had his leg severely injured, from the effect of which he has to use crutches. At a meeting of the board of trade on Monday evening, the following were elected officers: D. A. Snyder, president; R. S. Goodrich, vice president; R. L. Harris, recorder; Noah Phelps, treasurer.

The Masons of Dayton and vicinity held a meeting in Odd Fellows hall last Saturday, and made preliminary arrangements for organizing a Masonic lodge at this place. They will hold another meeting next Saturday. The Masons are negotiating for the purchase of Odd Fellows hall. Should they purchase the hall the Odd Fellows will build a large two story brick on the lots owned by I. Nichols where his store now stands, or adjoining.
