McMinnville, Or. July 29, '93,

To Whom it May Concern: Having purchased of Messrs, Jones & Adams one of the Minnie Harvesters, can truthfully say it is as light draft machine as I have ever seen; is easily adjusted and does as good work as ANY machine can do. I am more than pleased with my machine, and to any of my friends and neighbors who are in need of Binders would advise them to buy a Minnie as I know it will

give them entire satisfaction. F. R. KINDERMAN.

As its near the First of October, the usual time for Fall Settlements, and as every one is crying hard times and scarcity of

money, you don't want to forget its pay day, and the merchants who have carried you until your harvest is gathered have been at great inconvenience and many incurred indebtedness themselves, which they have to meet. Don't speculate on future values and keep others waiting, but sell enough at least to pay those you owe. Its those who pay promptly who get the greatest line of favors in hard or easy times.
