McMinnville College.
New students are continually coming. Mr. Paps, of Whiteson, started this week.
The beginning class in Latin started with good results, it being one of the largest classes in the college. The necessity of this study in obtaining an education is constantly being more thoroughly recognized.
The addition of a new fence along the west side of the campus improves it to a wonderful extent, both in appearance and value. The improved gate at the south terminal of the fence is a noticeable feature displaying a portion of Prof. Brownson's talent for contrivance. Mr. and Mrs. Royce, former students of the college, attended chapel exercises one morning last week. Visitors are highly appreciated.
The entertainment to be held Friday evening occupies the minds of a goodly number of students. All are greatly interested in it and a great social time is expected. Considerable effort is being expended to make it good.
The oratorical contest to be held in the near future is well under way. The contestants observed the necessity of beginning early last year and there is no doubt but this will far surpass the one held last May. The one receiving the highest merit will be the candidate to the state contest to be held at Eugene.
The Philhellenic society has changed its hour of meeting from 7:30 to 7 p. m. The enrollment list is continually increasing and a large number avail themselves of the opportunity presented by it. All the students are especially invited to attend; also a standing invitation is extended to the public. The following program has been announced for Saturday evening November 18th:
Music, society; address, Mr. O. P. Coshov; recitation, Miss Grover; vocal solo, Miss Grace Riley; essay, Miss Carey; select reading, Miss Degner; music, society; debate, resolved that the power of eloquence is diminished by the progress of literature and science, affirmative, Mr. Nelson and Miss Smith; negative, Mr. Fellows and Miss Scheffeld.
Hospital Offering Social.
The Epworth League will give a social next Tuesday evening, Nov. 21st, in the M. E. church in the interest of the Portland hospital. There will be a short literary program, consisting of songs, recitations and instrumental music, after which a social hour may be enjoyed. Everyone who attends is requested to contribute something towards the hospital offering. Either cash or provisions, tea, coffee, sugar, flour, meal, dried fruit, canned fruit, vegetables, or any other article of food will be acceptable and thankfully received. A cordial invitation is extended to all to help in the good work.

Seventy-Five Convulsions—A Thrilling Experience.
There is no one but at some period in life who experiences that stands out prominently beyond all others. Such is the case of John B. Collins, of Rome, Michigan, who says: "From September to January, before using Nervine, I had at least seventy-five convulsions. After three months' use I have no more attacks." Dr. Miles' Restorative Nervine also cures nervous prostration, headache, poor memory, dizziness, sleeplessness, neuralgia, etc., and builds up the body. Mrs. J. R. Miller, of Valparaiso, Ind., and J. R. Taylor, of Logansport, Ind., each gained 20 pounds of flesh by taking it. Sold by Rogers Bros. on a guarantee. Get the Doctor's Book, free.

Something About the Weir Gang.
McMINNILLE, OR., Oct. 20, 1893.
UNION HARDWARE CO.,
McMINNILLE, OR.;
I can safely say without fear of contradiction that their Weir gang plow is a dandy. It is ahead of anything in the plow line I ever saw. It gives plenty of room for four horses to work abreast without side draft. I am working it by the side of another gang of ordinary principles, and it runs fully one-fourth lighter. Four horses handle it easier than three will a 14-in. walking plow.

A Little Girl's Experience in a Lighthouse.
Mr. and Mrs. Loren Trescott are the keepers of the government lighthouse at St. James Beach, Mich., and are with a daughter, four years old. Last April she was taken down with measles, followed with a dreadful cough and turning into a fever. Doctors at home and at Detroit treated her, but in vain; she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you can get a trial bottle free at Rogers Bros. drugstore. 42.

A Little Girl's Experience in a Lighthouse.
Mr. and Mrs. Loren Trescott are the keepers of the government lighthouse at St. James Beach, Mich., and are with a daughter, four years old. Last April she was taken down with measles, followed with a dreadful cough and turning into a fever. Doctors at home and at Detroit treated her, but in vain; she grew worse rapidly, until she was a mere "handful of bones." Then she tried Dr. King's New Discovery and after the use of two and a half bottles, was completely cured. They say Dr. King's New Discovery is worth its weight in gold, yet you can get a trial bottle free at Rogers Bros. drugstore. 42.
