It was one of the caus- len, a strong candidate before the con-

fact. Jay Gould once explained to a legis-lative committee that it was cheaper to buy a democratic legislator after his election than to elect a republican can-didate in a democratic district. This political economy is practiced by the league of protected mill-owners, the inner and governing ring of the 14,500 thieves banded together in 450 trusts to rob the people of \$580,000,000 yearly-which is \$400,000,000 per year more than their total wage bill. The Tweed ring stole only \$1,500,000 yearly-which is \$400,000,000 yearly-which is \$400,000 ye stole only \$3,000,000 yearly; but that was coming into the country and produc- ness of the gentleman mentioned, he is enough to secure the support of the ing the surplus. The Harrison admin-*Tribune* and the republican state ma-istration, while it used the accumulat-deep in the problem of "Where am 1  $dr_{1}$ chine, in addition to its special gang of ing surplus as a lever against the dem-

democratic heelers. The protection ocratic candidates, did not lower the ring steals yearly two hundred times tariff and thus put this surplus into in the politics of this county is evidence-

The fing steals yearly two hundred times as much as the Tweed ring stole, has two thousand times its strength, has double the yearly revenue of the federal government, and without spending any large amount of money has power to prevent legislation that may curtail its thefts. It was no idle boast of the bedre takes that the democrats received the government back last March the surplus had is appeared and the free gold above the \$100,000,000 reserve had dwindled to the magnificent sum of \$750,000
