LAFAYETTE

April 17, 1883.

Uncle Reub Harris is out again after another severe attack of his stomach ailment.

Oh! but what is up? Here is Uncle John Bird, discarded his cane and is walking as erect as a bean pole—if not more so.

Charles Sullivan, who has been reading under McCain & Hurley, has gone to Dallas to hang out his shingle. Good luck to you Charley. Lafayette recommends you to Dallas.

Tommy Ladd, of McMinnville, was down one day last week.

W. H. Harrison and P. Y. McCarter, of Amity, were down attending the I. O. O. F. meeting, to decide where the coming celebration should be held.

George Phillips, ex-County Assessor, paid the capital of Yamhill a visit, Saturday.

R. W. Phillips, of Dickpohlville, dropped down upon us and made things lively around here for a while.

W. F. Coulter, one of Amity's best farmers, was in town on business, the other day.

The Odd Fellows, at their meeting here, decided to hold their celebration at North Yamhill, April 25th.

Dr. Littlefield has added 100 new chairs to his office. It is now the best seated hall in Yamhill County.

Everybody admires the Reporter's new dress. Bull for Chr—! mean the Reporter.

I see the "Oregonian" has taken a new departure, or rather gone back to first principles, in heading the letter list "men's list" and "women's list," instead of "ladies" and "gentlemen." The idea is a good one, and should be followed up everywhere, and the title of lady and gentleman applied only where good behavior and good morals entitle one to it. As it is now used every woman from the queen to the nymph-in-pave is a lady, and every man from the king to the bunko sharp is a gentleman. By all means give us a change.

The "Register" still keeps punching away at the tariff question, but seems to have forgotten that this is the latter part of the 19th century and that the people shy away from arguments made up principally of such hard names as "tariffs," "duties," "plunders," etc. It won't do, Judge, it won't do. You must give facts to convince us; hard words only scare us off.

I have just heard that John Dixon is very sick with scarletina and pneumonia.

R. B. Putnam and F. A. Cook, of Amity, dropped in to say howdy, last evening.

A telegram called Dr. Littlefield off to Portland, in a great hurry, yesterday afternoon. No particulars as to reason.

Carlton wants the County Seat. Well, so does McMinnville, and so would Dayton, Amity, Bellevue, Willamina and all other towns like to get it. But it is now in Lafayette, where it will probably stay some time, if tax-payers know themselves; and we think they do.

Jack frost this morning.

Items are like hen's teeth.

Carlton is soon to have a base ball nine.

Harry sings "Oh what shall I do for my hair."

H. C. Plummer is about to open a milk ranch. Already he has purchased the frame of a cow.

Mr. E. L. Peckham spent Sabbath with us and left for Portland by Monday's train.

Won't some good person get it to stop raining, so that the farmers can get their grain sown.

Mr. J. W. Collins, our popular blacksmith, has been confined to a few days past with a bad cold.

Mr. D. W. Laughlin has been confined to his bed for a few days past with lung disease. He is some better to-day.

There was a surprise party given to Miss Mattie Rounds, on Tuesday evening last. "Calamity" got left; but judging from reports there was a very pleasant company and all enjoyed themselves.

Uncle Tommy Wright died at his home Wednesday of last week. Mr. Wright was an old pioneer of Oregon, coming to this State some forty-seven years ago; was a man of unflinching energy and of good moral character.

I have heard it hinted that some bright moon-light evening four of our energetic boys intend taking the five-story depot and hiding it behind some oak bushes. Look boys that Uncle Jimmy don't catch you.

CALAMITY.

DAYTON

April 17th, 1883.

Sheriff Collier and Supt. Baker were in town last week.

W. H. Watson has purchased the right-of-way through the Alderman farm for \$500; through George Knapp's farm for \$100.

C. R. Morton is on a trip to Hood River with a view of securing a home if he likes the country.

A lot of worthless curs killed a number of Mr. Hash's sheep a few days since. Shoot them all next time.

Mrs. H. Noble of Coos county is visiting her mother Mrs. Voeman.

S. R. Baxter is doing a good business in the machinery line. He has on hand the latest patent self-binding reapers.

Rev. Mr. Wolf is to deliver the oration at the L. O. O. F. celebration at North Yamhill the 25th inst. The Dayton Glee Club under the leadership of Capt. Powell have been invited to assist with the music.

The Dayton Amateur Minstrels will give an entertainment at Moore's Hall May 1st. The programme promises an interesting entertainment.

We heard an old subscriber say: "The Reporter is the best paper published outside of the Metropolis."

Ben Harris has a contract from the N. P. R. K. to examine their lands in Western W. T. He is to report the agricultural and timber lands of each section. Such a report will be of great value to the company and the settlers.

Our friends, Mr. and Mrs. Crain were serenaded by the band on their return from their wedding four Saturday eve. They will occupy a suite of rooms at the Dayton Hotel.

Mr. Royal of Lafayette will begin to drive the piling for the new warehouse in a few days.

Mr. La Fever is at home again. He has a new contract on the O. C. R. R. clearing the way and furnishing ties and wood.

Cost.

NORTH YAMHILL.

April 16th, 1883.

Mrs. James Clark has been quite sick for the past week.

Quite a number of our youngsters attended the masquerade ball at the Grove on the 12th inst.

Messieurs Dehaven and Keffler returned to their homes on French Prairie last week.

Mat Cain has again started into the saloon business in town at the old stand where he kept before.

Mr. Thomas has sold one of his houses to Mr. Houseworth and the carpenters are making preparations to move it across the road on to Houseworth's land.

Sunday School was reorganized last Sunday. The officers elected are as follows:

R. Baird, Superintendent, Johnny Harris, Assistant Superintendent, Mrs. Lewis Female Assistant Superintendent, Mrs. Sarah Printest Sec., Mrs. Isaac Davis and Miss L. Duncan teachers.

As the Reporter did not give the early history last week of Mr. Wright, and as some of the pioneers would like to hear it I will give a brief sketch: Mr. Thomas Wright was born in Virginia, April 12th, in 1819, removed with his parents to Tennessee in his childhood days. Was married in 1841 to Miss Elizabeth Finch, moved to Missouri in 1836 then to Texas in 1844 and back again to Missouri the same year, emigrated to Oregon 1847 and has resided on the farm where he died ever since with the exception of two years. Mr. Wright was a straight-forward upright man and well liked by all who knew him. There was a large turnout to the funeral. May his children follow in his footsteps.

TRAVELER.

MIDDLETON.

April 16, 1883.

A heavy hail storm passed over this place one day last week. Wiggling's storm seems to wig-wag a good while.

R. H. Tyson and D. G. Olds, left for Hillsboro yesterday to attend a Grange convention.

The Sunday School was reorganized at this place with the following officers: Jacob Holmes Superintendent, R. H. Tyson, Assistant Superintendent, F. A. Olds, Secretary, Alton Downing, Librarian, J. S. Shrock, Treasurer. Yesterday was the first meeting.

Preaching yesterday by Rev. Davis of Wheatland.

School is progressing finely with a full attendance.

Singing school closed yesterday. Another class was commenced for the summer.

Mr. C. Tree of this place has the contract for building two barns; one for John Hendrix, the other for Isaac Allison of West Chehalis.

Farmers who sowed on the low land, will be compelled to resow on account of grain having rotted.

C. T. Hall raised a large barn last week.

A dance at Calkin's Hall next Friday night. A good time is expected.

The Reporter deserves a large patronage folks, remember this and send in your coin.

RAMBLER.

Hambletonian

Mambrino,

(Heretofore at the head of the Reedville Stud) will make the season of 1883 as follows:

North Yamhill, Mondays; Lafayette, Tuesdays; McMinnville, Wednesdays and Thursdays; Bellevue, Fridays and Saturdays.

Hambletonian Mambrino is a beautiful dark bay or brown, 15 hands, 23 inches high and weighs over 1,100 pounds. He is unsurpassed for style and beauty; long-bodied, with a racy neck and blood-like head. He is heavy muscled, and as for feet and legs no horse can excel him.

Of his propensities as a sire there can be no doubt. All his colts have the impress of his high form and superb courage, and when placed on the market have, so far, commanded (at the same ages) as high a price as the get of any horse in the North Pacific.

During the last year his get was awarded many premiums and was the winner of the three-year-old three-in-five races at Vancouver and the State Fair, defeating in both races the finest field of three-year-olds that ever came together in the Northwest.

PEDIGREE—Hambletonian Mambrino was sired by Menelaus, (the sire of Cloon, record 2:18, and sold for \$15,000), he by Rye-dy's Hambletonian.

1st dam Olean, by Border Chief.

2nd dam Olinde, by Oliver.

3rd dam by Chorister, he by imp. Contract.

Menelaus' first dam Jesse Bull by Long Island and Black Hawk.

2nd dam by Young Duroc, he by Duroc, he by Diomedes.

3rd dam by Coffin's Messenger, son of imp. Messenger.

Border Chief, sire of Olean, was by old Mambrino Chief, 1st dam by Highlander, 2nd dam by Glencoe, 3rd dam by Post boy, son of Henry that ran with Bellows.

Thus it will be seen that Hambletonian Mambrino has eight Messenger crosses and unites the two greatest strains of American trotting blood—those of Ryeddy's Hambletonian and Mambrino Chief, being a lineal descendant of imp. Messenger on each side of the house. To this, the very quintessence of American trotting blood, he unites the rich racing strains of Glencoe, Wagner, Chlorider and Post Boy, famous in the annals of the running turf on both sides of the Atlantic. He also has the Bashaw blood, through Long Island Black Hawk, the first horse that ever trotted below 2:40 to a road wagon.

TERMS—\$25 to insure; \$25 by the season. Care will be taken to prevent accidents, but no responsibility assumed.

L. B. LINDSAY,
Reedville, Oregon.

Plows, Plows!

I have the agency for the J. I. CASE & CO. Plow—the best that is made. I can sell you a Walking Plow, any size, or a Saily Plow, or any other machinery you want, and sell it to you as cheap as you can get the same at Portland.

W. T. BOOTH,
McMinnville, Oregon—31m5.

Henry Livingood has moved onto the Thomas Parrish place.

Mrs. Sarah Haynes has put up a new barn.

C. T. Tooze has bought 50 acres off of the north end of James Tooze's farm.

James Tooze has some old acquaintances here, right from Ohio.

Mrs. Charity Brown, who has been sick for some time, is improving.

Mrs. Ella Smith has been quite ill the past week, but is convalescing.

Charles Vaughn, of Gervais, lost another one of his children, last week, and another is not expected to live, while neither Mr. or Mrs. Vaughn are scarcely able to be about. They think the child that died had the lung fever.

One of our band boys blew so hard on his horn that he made a big blister on his lip, or else the last time his sweet heart kissed him she bit it; he don't know which.

Another man made happy. Born—April 9th, 1883, to the wife of Alpheus Blair, a fine son.

A man from Champoeg has bought the Railroad saw mill that was close to this place. So we don't have any hopes of the railroad going on this summer.

A few members of the Agricultural Society met Saturday and discussed the question: "A model fruit farm; its profits and pleasures." The question was continued to next meeting, May 12th, to be opened by Samuel Hobson.

There has been a series of meetings held at this place by the Society of Friends, for the past ten days, which closed last night. There has been a general revival amongst the members, and especially those who were in a luke-warm condition; and also some new converts. We have had a number of visitors from Dayton and elsewhere during these meetings; and especially "our Mother in Israel,"—as we call her—Rev. Rebecca Clossen, of Portland. The best of order prevailed during the meetings.

Remember the Band of Hope next Sabbath at 2 p. m.
