### A BAND OF WOULD-BE SUICIDES.

The Pester Lloyd relates an occurrence which would be incredible were not the evidences of it visible at this moment in the hospital in the Hun-garian capital. Six lads, all between 16 and 18 years of age, belonging to respectable famillies in Pesth, agreed to throw all their "spare" money into a common fund to be spent in some special scene of common enjoyment. They did so, and coming to their enses last Thursday, after their bout of dissipation, they had not the courage to face the consequences of courage to face the consequences of ed about it.
