TOPICS OF THE DAY.

A fellow at Macon, Ga, tried to shoot Hank Beecher.

Sheridan is Lieutenant-General of the United States army.

B. S. Rilly of Chicago has given \$100,000 to an orphan school.

At the time of his assassination, Antony owed Caesar \$15,000,000.

Moscow, Idaho, a small town, has a public library of 1000 volumes. In 1832 a cigar 98,870 miles long

was smoked up by the people of this Bismark is devising a scheme to prevent further immigration from

Germany. Seal skins have advanced 50 per cent in price, owing to the meager

catch of seals. There were seven accidents on the Central Pacific lines in California last Thur sday.

During a life of 70 years, a man is said to drink 1014 hogsheads of water. Fellows will deny it.

Delegate Singheiser, of Idaho, now in Washington, urges the disfran-chisement of the Mormons.

It is proposed to consoridate the customs distrites of this State into two. Portland and Astoria.

A special from Boston says betting is one hundred to ninety against Butler's election next Tuesday. In 1700 there was one lawyer in

the United States to every 8,000 inhabitants. Now there is one to every A new road from San Francisco to

Denver via Santa Cruz is talked of. The company has \$75,000,000 to be-

The government has retired and pensioned a white mule which General Sherman says has been in the service since 1859.

The Astor family will celebrate this month the centennial of the de parture of old John Jacob Astor from his native shores of America.

A car containing 30,000 carp for distribution in western waters from Wisconsin to Oregon will start over the Northern Pacific Tuesday next.

The Georgia law of the rebellion, granting divorces to loyal Southern women whose husbands were in the Union service, has just been repeal-

A narrow gauge railway is to ascend Pike's peak from Manitou to the summit, a distance of thirty miles with maximum grade of 300 feet to

It is now said that Justice Harlan, since he condoned the recent civil rights decision, has grown to be a strong Presidential favorite with the colored people.

The English government and railroad authorities offer a reward of \$5,-000 for the arrest and conviction of the persons causing the late explosion in London.

The national fish commisson is about to send one car-load of carp to the Louisville exposition and another for distribution along the line of the Northern Pacific road.

A special from Winnipeg says: The Canadian Pacific is unable to get across the Selkirk range of the Rocky mountains and work has been suspended for this year.

The "bears" or "bulls" or enemies of some sort are saying that the Pacific engineers cannot find a crossing through Kicking Horse Pass. It was found several months ago.

Reduction in the price of newspapers has reached Detroit. The price of the daily Post and Press has been cut down from \$10 to \$7 per year, or 3 cents a copy instead of 5 cents.

Sunset Cox recently said in an interview with a press representative: "You might as well expect to run a powder mill in hell as an honest government with an overflowing treas-

Matthew Arnold, the poet and critic, now in this country, says," I'm afraid I shall not get at the head of real American Life," He will find a fair sample of it in the Pacific

It is said that American companies have completed over 1,600 miles of railroad in Mexico, investing therein over \$30,000,000. Mexicans have themselves constructed 635 miles of road, and English companies have and Lag built 353 miles.

As a means of getting a small part of the enormous emigration that is McMille Furniture pouring into the northwest, a writer in the Charleston Courier suggests to southerners that they can find profit in parceling out their vast domains and giving away alternate patches of Third St. - McMinnville, fifty acres.

The enormous wheat ranch owned by the late Dr. Glenn, in Colusa county, Cala., is to be cut up into proper sized farms, and fifteen thousand acres are now offered for sale. This is good. Instead of one farm house on sixty thousand acres, there will be hundreds of beautiful houses dotted

AYER'S Cherry Pectoral.

none so trifled with by the majority of suffer ers. The ordinary cough or cold resulting perhaps from a trifling or ancopcious exsickness. Aven's Chenny Privotal has well proven its efficacy in a forficers' fight with throat and inng discuss, and should be

A Terrible Cough Gred. A Terrible Cough Gred.

"In 1857 I took a severe cold shich affected my larges. I had a terrible costs, and passed night after night without thes. The doctors gave me up. I tried Avers CHEREY Presentat, which relieved myllungs, induced sleep, and afforded me its rest necessary for the recovery of my sength. By the continued use of the Privillal a permanent care was effected. All now 62 years old, bale and hearty, an am ratisfied your CHEREY PEXTORAL 8 soft me.

Rockingham, VI., Jul 15, 1882.

Croup. - A M/her's Tribute. Croup.—A Myher's Tribute.

"While in the courty last winter my little boy, three years of year laken ill with croup; it seemed as if he unid die from strangenation. Onnof thesindly supersted the use of Avin's Chinny Pritonal, a bottle of which was alwaysbopt in the house. This was tried in sing and frequent deses, and to our delight news than half an hour the little patient widerathing easily. The dector said that is Chinny Pritonal had saved my darly's life. Can you wonder at our gratting's life. Can you wonder at our gratting's life. New York, May 16, 1882.

LES West 1 fil St., New York, May 16, 1882.

"I have yd Aver's Cherry Petteral, in my fam; for several years, and do not hesitate topromance it the most effectual remedy forough and colbs we have ever fried.

A. J. Crane," Lake Cystal, Minn., March 13, 1882.

"I suffect for ight years from Bronehitis, and afterlying many remedies with no suc-cess, I we curedly the use of Aven's Cherr-By Problem 1. Joseph Walden." Byngla, Miss. April 5, 1882.

"I dimet saymough in praise of AVEE'S CREEKY PROTALL, believing as I do that, but fr its use chould long since have died fromlung troulss. F. BRAGDON." Prestine, Tess, April 22, ISS2. No case of an affection of the throat or lungs exists with cannot be greatly relieved by the use of YER'S CHERRY PECTORAL and it will alwas cure when the disease is not already bend the control of medicine.

REPARED BY Dr. J. C. Ayr & Co., Lowell, Mass.

Rev. Lather Wilds' EXERIENCE.

The Rev. Z. Wilds, will-known city missionary New York and brother of the late e neut andg Wilds, of the Massachusei Supreme Court, writes

Massachusei

as follows:

"78 E, 546L, New York Mon 16, 1882.

MESSRS, J. GYER & Co., tentionen:
Last winted was troubled with a most uncomfortab itching hunor affecting more aspect my hmbs, which itched so intolerably stight, and braned so intensely, that I ed scarcely far any clothing over them. was also assuferer from a severe catal and catashal cough; my appetite wapoor, and is system a good deal run on. Knowig the value of AYRE'S SALAPARUS, No beservation of many other sees, and from personal use in former yes. I bgan taking it for the above-mane disorers. My appetite improved alinst from the first dose. After a short tin the wer and itching were allowed, an all sits of irritation of the skin disappared. Y cutarria and cough were also kred tithe same means, and my generalmenthready improved, until it is now cellen I feel a hundred per cent strong, andattribute these results to the use of the Arks, Parkilla, which I recommed wiall confidence as the best blood medicle ever devised. I took it in smal doserve times a day, and used, in a, less it two bettles. I place it in smal deserves times a day, and used, in al, less t two bettles. I place these fact at y service, hoping their publication may cood.

Yours espectf, Z. P. Wilds."

The abore instals but one of the many constantly comingur notice, which prove the perfect adaptry of Aven's Sansafrom impure or verished blood, and a

cleanses, enrichesstrengthens the blood stimulates the arof the stomach and bowels, and thermables the system to resist and overcon attacks of all Sc tous Diseases, Exis of the Skin, Rheumatism, Calarrh, ral Debility, and all disorders resulting poor or corrupted blood and a low of the system.
