

STATE AND TERRITORIAL.

About 260 ladies have registered as voters in Olympia. Astoria council ordinance to prohibit gambling is in force. Astoria children go into a \$36,000 school house this week. The W. C. T. U. have a hall and free reading rooms in Olympia. Seattle labors with the immorality and disease of thirty opium dens. The copper mines of Union county Oregon, are yielding immensely.

The Chinese have taken hold of Baker City with a \$10,000 Joss house. The roads near Pleasant Home, Oregon, are blocked by fallen trees. Most of the sawmills in the upper country have closed down for the winter.

The falsehood of the railway bridge at Ainsworth is completed to 3rd pier. A broken leg for R Welch, of Tacoma was the result of a runaway there on Friday. A. P. Churchill, of Salem, has entered the journalistic field on the Corvallis Gazette.

Pierce county, W. T., makes an apportionment of \$4 for each scholar in the public school. The trout creek trail to the Coeur d'Alene mining district is now ready for tourists and others.

Beriah Brown and C. R. Phillips are to start a paper at Bellingham, opposite Whatcom City. A Tacoma girl, visiting Seattle last Monday, blew out the gas and came near losing her life.

The rails on the C. P. R. are now laid up as far as Slave river, about 22 miles from Port Moody. A Seattle widow has received \$12,500 from the different orders to which her husband belonged.

The jury in the Dona case, at Pendleton, rendered a verdict in ten hours. Life in the penitentiary. The Goldendale Gazette was ordered out Jan. 1st, 1881, and since then has printed over 100,000 copies.

Mt. Vernon, Skagit county, W. T. is to have a newspaper, at the hands of a man named Ewing, late from the east. The storm of last week spread over the entire Northwest. At many points the damage of wind was considerable.

The marshal of Tacoma has compelled merchants there to take duplicate goods from the sidewalk in front of stores. The Chinese are extending their area in Victoria, B. C., with the intention of making it their commercial headquarters.

Paget Sound black cod are now the rivals of the Columbia salmon. In the East the first named are regarded as delicacies. New Years day the gentlemen of Walla Walla, W. T., kept open house and received callers and the ladies did the calling.

By spring there will be six telegraph wires between Walla Walla and Portland, and it will be almost impossible for the wires to get down. A reporter of the Astoria Independent hung one of his stockings on the outside of the office door in hopes of a gift from some of the subscribers, whereupon the chief of police quarantined the building for the safety of the general public.

Says the Astorian: It is fervently to be hoped that the board of trade will do something to check the exportation of "steal-head" salmon eastward in refrigerator cars at this season, when no Oregonian thinks of eating such fish and even the Indians do not hanker after them to any alarming extent.

H. H. Ehlers, until recently employed as a laborer on the Seattle and Green river railroad, was found near Renton yesterday in a delirious and apparently unconscious condition and was taken to the hospital. He was found standing by the side of the railroad track turning round and round, and when discovered had tramped a hole in the earth eight inches deep. His ailment was pronounced as softening of the brain.

After the first of January, trains will run regularly to Ontario, which will then be the terminus of the Oregon Short Line. Ontario is situated in the state of Oregon, and is twenty eight miles west of Caldwell. It is given out that besides regular freight and passenger trains, a postal car will run regularly to that point.

The arrest of the proprietor of the Chinese theater for giving Sunday night performances is a step in the right direction, says the Seattle Star. The intolerable din and racket made by the Chinese actors during the week is almost unbearable, but to make Sunday night hideous is in direct violation of the law and the action of the police meets with popular approval.

The Mullen tunnel through the main divide of the Rocky mountains on the Northern Pacific railroad was recently completed, and trains are now running regularly. This great work occupied two years in its construction. The length of the tunnel is 3850 feet, and its elevation above the level of the sea is 5547 feet. Express trains take about five minutes in going through the tunnel.

A MARVELOUS STORY

TOLD IN TWO LETTERS. FROM THE SON: "On Cedar St., New York, Oct. 25, 1882. Gentlemen: My father resides at Glover, Vt. He has been a great sufferer from Scrofula, and the enclosed letter will tell you what a marvelous effect

Ayer's Sarsaparilla has had in his case. I think his blood must have contained the humor for at least ten years; but it did not show, except in the form of a scrofulous sore on the wrist, until about five years ago. From a few spots which appeared at that time, it gradually spread so as to cover his entire body. I assure you he was terribly afflicted, and an object of pity, when he began using your medicine. Now, there are few men of his age who enjoy as good health as he has. I could easily name fifty persons who would testify to the facts in his case. Yours truly, W. M. PHILLIPS."

FROM THE FATHER: "It is both a pleasure and a duty for me to state to you the benefit I have derived from the use of Ayer's Sarsaparilla. Six months ago I was completely covered with a terrible humor and scrofulous sores. The humor caused an incessant and intolerable itching, and the skin cracked so as to cause the blood to flow in many places whenever I moved. My sufferings were great, and my life a burden. I commenced the use of the Sarsaparilla in April last, and have used it regularly since that time. My condition began to improve at once. The sores have all healed, and I feel perfectly well in every respect—being now able to do a good day's work, although 73 years of age. Many inquire what has wrought such a cure in my case, and I tell them, as I have here tried to tell you, AYER'S SARSAPARILLA. Glover, Vt., Oct. 21, 1882. Yours gratefully, HIRAM PHILLIPS."

AYER'S SARSAPARILLA cures Scrofula and all Scrofulous Complaints, Erysipelas, Eczema, Ringworm, Blotches, Sores, Boils, Tumors, and Eruptions of the skin. It clears the blood of all impurities, aids digestion, stimulates the action of the bowels, and thus restores vitality and strengthens the whole system.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists; \$1, six bottles for \$5.

AYER'S PILLS. A large proportion of the diseases which cause human suffering result from derangement of the stomach, bowels, and liver. Ayer's Cathartic Pills act directly upon these organs, and are especially designed to cure the diseases caused by their derangement, including Constipation, Indigestion, Dyspepsia, Headache, Dysentery, and a host of other ailments, for all of which they are a safe, pure, prompt, and pleasant remedy. The extensive use of these Pills by eminent physicians in regular practice, shows unmistakably the estimation in which they are held by the medical profession.

These PILLS are compounded of vegetable substances only, and are absolutely free from calomel or any other injurious ingredients. A Sufferer from Headache writes: "Ayer's PILLS are invaluable, and are my constant companion. I have been a severe sufferer from Headache, and your Pills are the only thing I could rely on for relief. One dose will quickly remove my bowels and free my head from pain. They are the most effective and the easiest to take I have ever found. It is a pleasure to be able to speak in their praise, and I always do so when occasion offers."

W. L. FOLEY, of W. L. Foley & Co., Franklin St., Richmond, Va., June 8, 1882. "I have used AYER'S PILLS in numerous instances as recommended by you, and have never known them to fail to accomplish the desired result. We constantly keep them on hand at our store, and give them as a pleasant, safe, and reliable family medicine. FOR DISSENTIA they are invaluable. J. T. HAYES."

Mexico, Texas, June 17, 1882. The REV. FRANCIS B. HARLOWE, writing from Mexico, Oct. 25, 1882: "For some years past I have been subject to constipation, from which, in spite of the use of medicinal and various kinds, I suffered increasing inconvenience, until some months ago I began taking AYER'S PILLS. They have entirely corrected the constipation, and have vastly improved my general health."

AYER'S CATHARTIC PILLS correct irregularities of the bowels, stimulate the appetite and digestion, and by their prompt and thorough action give tone and vigor to the whole physical economy.

PREPARED BY Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists.
