

THE REPORTER

McMINNVILLE, OREGON, FEB. 7, 1884.

REPUBLICAN STATE CENTRAL COMMITTEE.

A meeting of the Republican State Central Committee of the State of Oregon is hereby called, to be held in the city of Portland on Thursday, February 21, 1884, at 11 o'clock a. m. A full attendance is earnestly desired.

Sot. HINCHER, Chairman.

Wendell Phillips, the noted orator, died at his home in Boston Saturday evening, Feb. 2nd. He was in his 73d year.

An explosion caused by the fumes of gasoline igniting, caused the death of twelve persons and the destruction of a large amount of property, at Alliance, Ohio, last Friday.

The house committee on public lands has decided to report a bill declaring the forfeiture of the land grants to the Oregon and California and California and Oregon railroads, except such tracts as have been patented.

Seventeen hundred Chinamen employed on the Cedar River road, near Seattle, struck on Friday last, because of a reduction in their wages from one dollar to eighty cents per day.

"Sullivan, the bruiser," paid Portland a visit last week, and judging from the report given by the Portland papers created as much excitement as if it were King William. Just wait! The Pacific Coast'll have a Captain Jack to send back to Boston some day to bring back some of the money that the champion carries away with him.

The pot of National politics begins to simmer. And the more it boils the brighter the prospects that James G. Blaine will be the nominee for Presidential honors in 1884. Give us Blaine and Lincoln and then let Tilden and his "bar!" be rolled out. 'Twill not require "8 to 7" to decide the case.

PAY UP!

This is the first of the year, and you will find no better time than now to

Pay your bill with the Printer.

FACTS ARE FACTS AND SPEAK LOUDER THAN WORDS.

LOOK HERE! Sit down and read this, and common sense will tell you that any merchant who advertises with a spirit of malice,

Cannot be Trusted.

It is "nonsense and humbugging to blow and try to blind people about good goods." I claim to have

AS GOOD GOODS

as any other storekeeper, and not any better. They all come from the **SAME FACTORIES**, and every merchant has to keep different quantities of goods to suit his trade. For instance: if a man wishes to purchase a suit of clothes for \$12 he doesn't want a suit of clothes for \$35, and so vice versa,

Why, it is Ridiculous to say

I keep good goods, and therefore can't sell them as

CHEAP AS MY NEIGHBORS

as every child that goes to school knows better than that.

ALL GOODS that I advertise in our *Local Paper*, the "Oregon Register", and "Dayton Free Press" are

Always to be Found in Stock

and not "just out of them." **TOO THIN!** Furthermore, I will say that I am buying my goods

Strictly for Cash, at **Bedrock Figures, and Discount my Bills.**

therefore, I can make a **REASONABLE PROFIT** and still sell goods for **LESS MONEY** than those storekeepers do that are buying on time and leave the wholesale houses and manufacturers wait from 12 to 24 months for their money. In the first place, they can't expect to buy as cheap as the man who buys **FOR CASH**, and in the second place the wholesale houses will

Charge Interest after four or six Months

whenever the account becomes due. I will add that I devote my **Whole Attention** to the Dry Goods and Clothing trade, and everything pertaining to it, and leave all other outside business alone.

These are all Facts that I am Willing to Prove.

I don't propose to have my goods lie on the shelves for years. Whatever old goods remain over by the 1st of January will be thrown into **THIRD STREET LAKE**, instead of letting moths get a hold of them, as has been the case in **other stores, here.**

Remember that H. Fisher

keeps a

First-Class Dry Goods and Clothing House,

and is receiving goods every day and has always a **FINE ASSORTMENT OF GOODS** in stock. Farmers of Yamhill County, I am prepared to do an **Extensive Credit Business this year in my line**, and those that are **responsible for the debts they contract** will find it to their advantage to buy their **DRY GOODS AND CLOTHING** of H. FISHER, as you will **SAVE** from 25 to 40 per cent. in purchasing your goods.

MONEY SAVED IS MONEY MADE.

You will find every week my **GOODS AND PRICES ADVERTISED.**

Very Respectfully Yours,

HUGO FISHER.

What we Believe!

There is no question about it:

B. F. HARTMAN'S

is the place to buy **GOOD GOODS.** No humbugging or blowing about best quality of goods of any kind for less than half what they can be made for. That is simply nonsense, and is only done to get you in their stores to find them "just out" of the goods advertised at less than half value, or to show you an article too worthless for any use, with the hope of selling you their goods at big prices. Talk is cheap, and so are all kinds of goods, and when you want to buy

Good, Durable Goods,

You cannot do better than to buy them of

B. F. HARTMAN.

Ladies will find all kinds of Latest style Cloaks, Dolmans, Ulsters and Wraps, Dress Goods, Silk Lace, Mull, Bobonett, Darn Nit Ties, and everything pertaining to Ladies' Wardrobe.

All kinds of Dry Goods, and any and everything in Gents' Furnishings Goods.

Also, Groceries, Glass and Queensware, Hardware and is **SOLE AGENT** for

Star Mixed Paints,

Also, Farming Implements of all kinds, all for the lowest prices. Also, remember 10 per cent. discount is given for cash.

Now is the Time to Improve Your Stock!

Persons desiring to improve their stock of Hogs, will bear in mind that I have a

Fig 11-Blood Jersey Red Boar.

For which I will charge the small sum of \$5 per head for breeding, believing that they are the best hogs on the coast, and fast superseding all others breeds.

Also, on sale—a number of Thoroughbred Jersey Bred and Half-bred Jersey and Poland China sows, which make a fine cross, at reasonable prices.
