This may be the more interesting to the people of Oregon the a to other parts of the union, from the fact that our principal or nearly total export of farm products is whee t. But when we place before the people worthy men, make into account the fact that not more tho'a 8 or 10 per cent, of all the agrienltural products of the United States are exported it is of little consequence to us as a mation. The value of the crops of the United States for 1880, so far as the following products were concerned, were as follows:

Wheat	\$554.888.003
Corn	948,023,869
Rye	24,000,933
Oats	193,898,810
Darley	28,002,513
Potatoes	120,882.550
Hay	588,797.073

## FACTS ARE FACTS AND SPEAK LOUDER THAN WORDS.

Sit down and read this, and common sense will tell you that any merchant who vertises with a spirit of malice,

#### Cannot be Trusted.

It is " nonsonse and humbugging to blow and try to blind people about good goods," I claim to have

#### AS GOOD GOODS

as any other storekeeper, and not any better. They all come from the SAME FACTORIES, every merchant has to keep different qualities of goods to suit his trade. For instance: if a man wishes to chase a suit of clothes for \$12 he doesn't want a suit of clothes for \$35, and so vice versa.

#### Why, it is Ridiculous to say

I keep good goods, and therefore can't sell them as

#### CHEAP AS MY NEICHBOR

as every child that goes to school knows better than that.

ALL GOODS that I advertise in our Local Paper, the "Oregon Register', and "Dayton Free Pres

#### Always to be Found in Stock

and not "just out of them." TOO THIN! Furthermore, I will say that I am buying

#### Strictly for Cash, at Bedrock Figures, and Discount my Bills

therefore, I can make a REASONABLE PROFIT and still sell goods for LESS MONEY than those storeless ers do that are buying on time and leave the wholesale houses and manufacture s wait from 12 to 24 months their money. In the first place, they can't expect to buy as cheap as the man who buys FOR CASH, and it's second place the wholesale houses will

#### Charge Interet after four or six Months

whenever the account becomes due. I will add that I devote my Whole Attention to the Dry Goods at Clothing trade, and everything pertaining to it, and leave all other outside business alone,

#### These are all Facts that I am Willing to Prove.

I don't propose ro have my goods lie on the shelves for years. Whatever old goods remain over by their of January will be thrown into THIRD STREET LAKE, instead of letting moths get a hold of them, as he French Flowers in Velvet, Plush and Silk, been the case in other stores, here.
