YAMHILL COUNTY REPUBLICAN CONVENTION.

By order of the Republican County Central Committee a Republican County Convention will be held at the Court House in McMinnville, Ore., FRIDAY, APRIL 6TH, 1904.

ASTORIA is having another spasm, attended by slight symptoms of railroad building.

D. P. THOMPSON is a man whom we greatly admire for his accomplishments in life and the pluck, energy and ability he has displayed.

In discussing the Blaud bill it is well to remember that there is no "seigniorage" in the treasury to coin.

MANY foreign manufacturers, in anticipation of the change in the tariff, are beginning to make arrangements to do business in the United States.

THE democratic members of the finance committee have framed a tariff bill in secret session, from which the republican members of the committee were excluded.

At the populist meeting Saturday a proposition looking towards fusion with the democrats was voted down.

A portion of the democratic party in the state of Oregon appears to be willing to sell itself to the devil for a mess of pottage.

We see the names of such men as L. L. McArthur, (ex-U. S. district attorney), Judge Thayer, W. D. Fen-ton, John Burnett, E. C. Russell and A. Nolter, mentioned in connection with the disreputable scheme.

office seekers may be willing to adopt such a course the voting rank and file will not follow them.

No matter where the orders come from, there will be no effective fusion in June, and if it is attempted the democratic vote will be divided.

It is reported that Secretary Gresham has surrendered his pension. General Gresham was a brave soldier and was pierced by rebel lead in front of Atlanta.

But when Judge Gresham became the squire to Knight Cleveland, "who slapped the pension beggars in the face," he realized that it meant more than a simple change of politics and candidates.

He had vetoed 500 soldiers' pension bills. He had referred to pensions as "persistent and ingenious attacks upon the public treasury."

Probably when Gresham read these things he realized what it meant to become a squire to the great knight, Grover Cleveland, and he surrendered his pension of \$30 a month and had his name erased from what he had regarded as a roll of honor.

Representative Wilson, who is now in the City of Mexico, has developed typhoid fever, said to have been contracted while working in the subcommittee room of the basement of the capitol at Washington.

Graphicly Told From Memory by Capt. Stillwell of Tillamook.

A BATTLE WITH INDIANS.
