for Infants and Children.

HIRTY years' observation of Castoria with the patronage of millions of persons, permit us to speak of it without guessing. It is unquestionably the best remedy for Infants and Children the world has ever known. It is harmless. Children like it. It gives them health. It will save their lives. In it Mothers have semething which is absolutely safe and practically perfect as a child's medicine.

Castoria allays Feverishness. Castoria prevents vomiting Sour Curd. Castoria cures Diarrhea and Wind Colio, Castoria relieves Teething Troubles.

Castoria destroys Worms.

Castoria cures Constipation and Flatulency. Castoria neutralizes the effects of carbonic acid gas or poisonous air. Castoria does not contain morphine, opium, or other narcotic property. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.

Castoria is put up in one-size bottles only. It is not sold in bulk, Don't allow any one to sell you anything else on the plea or promise that it is "just as good" and "will answer every purpose." See that you get C-A-S-T-O-R-I-A.

Still he was not altogether rested from hind a sort of palisade formed by enor-like the trees without breaking, and the highest branches in order to distinguish hind a sort of palisade formed by enor-like the trees without breaking, and the highest branches in order to distinguish hind a sort of palisade formed by enor-like trees without breaking, and the highest branches in order to distinguish hind a sort of palisade formed by enor-like trees without breaking. Gregorio, swift as a tiger, fled with north and west. The whole forest was The half caste obeyed. He commenced all the speed he was capable of. His ex. in flames. The lightning, falling per the hissings became more shrill, a comhis retreat, constantly showing himself perience of such storms told him that at haps some 500 times, had set fire to the motion took place in the whole of this LEAVE ARRIVE Translation 7300 P M Portland 200 P M Portla

shrubs caught as if by magic, so that down dead two paces from him. Still for the smoke was already spreading un- air, and short as that moment was it

strength for flight after all that he had undergone during the last 12 hours. At stream, the current of which, the CHURCHES

To the Andes to the Anders to the moment, covered from head to foot with At this point the Amazon is four miles blood and mosquitoes. It would have broad, and he would have had to strugbeen difficult for the most clever naturalist to have decided at a glance whether he was a man or an ape, and yet he overcame all obstacles as if he did not lieve that the animals in their flight know what fatigue meant. His arms muscles, he had springs of steel.

At length the last oak of the forest stood before him, and he perceived the Some hundred yards down he felt himimmense river, the strong current of self seized by the hair, and some shaggy which was already carrying down a creature clung to his shoulders. It was thousand animals, who were seeking the a poor little monkey, very pretty, which opposite bank in their flight. At his feet | was just on the point of being drowned, was a sandy beach about 20 yards and so laid hold of anything it could. strictors showed for a moment their broad and extending a very consider- Gregorio tried to pull it off and throw shining and glutinous heads and then able distance from one end to the other. It back into the water. But the animal But upon this beach, brought together as if for a new Noah's ark, were all the the half caste, and so he was forced to animals of those parts, wild with fear, support and save this parasite. forest. Everything, even down to the leaping up, tearing each other to pieces, big ants of those parts, took the same howling in a pitiable fashion, scratchroad. One might have thought that all ing up the soil with their claws and swim with all his might, still keeping these monsters were going to some lifting their noses to the wind so as to his burden, which did not bite him any catch the first scent of the coming con- more, but held tightly on to his matted flagration. It was a fearful and grew- hair. The river suddenly widened, and

CHAPTER VI. A BURNING, FIERY FURNACE. Gregorio trembled in every limb. All

around him the tree tops were peopled with apes, scorpions, serpents and birds. of smoke, which had now reached them, were making a magnificent slaughter among the reptiles. And all around a cloud of mosquitoes, thickening every moment, threatened to intercept the light of the sun

All at once the howling redoubled.

was escaping from.

open wound, felt a marvelous sensation every moment more excruciatingly pain-ful. He looked round to see if he could fonso. But this time he felt it would be What a day it was! It needed a man how to avoid the most dangerous companions of his flight. For fear of the allength he felt a little freshness in the strongest in the world, would carry him in some hours either to Para or to some island. He did not intend to swim to gle during a great part of the night against this invincible current. On the other hand, he had every reason to bewould reach the other side, which would and legs were as pliant as if, instead of not in that case be a desirable place for passing the night.

So he let himself go with the current.

He could still count upon three hours To have gone down there in order to tions of Para. Alas, it was too far off the Argentine perceived the fortifica-
