Spite work or jealousy is the cause of this act of deviltry. His object was not accomplished for he did not kill anyone and Meek is still thresh-

A Lebanon boy tied his cow to the Forest Grove's telephone service coupler of a freight car and went off on other business Unfortunately due on account of the strike and boy was gone, and not seeing the cow coupled on to the car starta lady 90 years old. This an unusual forced up the track at a 2:17 gait. A farmer who was passing saw the The tie preserving plant which predicament, and managed to signal was moved from Cornelius recently the engineer to stop, otherwise there will return in February. Ties are must have been a spurt of speed on being drawn now so a good supply the part of the cow unheard of before or a broken neck, for the boy had tied her securely with a stout rope. As it is she is alive and well and holds the record of that town

The Southern Pacific company announces that they will issue, effective September 1st, 1894, a special tariff on hops in car-loads minimum intermediate points to Missouri river, Mississippi river, Chicago and Southern Pacific company recognizes Viewers to estimate the probable the fact of the present low prices becost of a wagon road from Prineville ing offered for hops and is willing to to connect with the Oregon Pacific help the situation by reducing freight

A monument will be erected by W. A. Rutherford, of Marion, one subscription over the four regular
