When women are afflicted with nervousness, irritability, nervous prostration or exhaustion and sleeplessness, in nine cases out of ten the source of the trouble is some displacement, irregularity or derangement of the special internal parts. Dr. Pierce's Favorite Prescription cures permanently such cases as well as that distressing internal discharge from the mucous membrane, inflammation and ulceration.

Brooklyn, Jackson Co., Mich.

Gentlemen—I am more than willing to say your most valuable medicine has cured me of female weakness and a catarrhal discharge from the lining membranes of the special parts. I suffered for years with pain in my back, never a night was I free. At your request I commenced treatment with Dr. Pierce's Favorite Prescription. I could not sleep on a mattrass; it seemed as though it would kill me. Since taking the medicine I can sleep anywhere; I am perfectly well. I would not be placed in my former condition for any money.
