for Infants and Children.

MICHIRTY years' observation of Castoria with the patronage of millions of persons, pormit us to speak of it without guessing. It is unquestionably the best remedy for Infants and Children the world has ever known. It is harmless, Children like it. It gives them health. It will save their lives. In it Mothers have something which is absolutely safe and practically perfect as a child's medicine.

Castoria destroys Worms. Castoria allays Feverishness. Castoria prevents vomiting Sour Card. Castoria cures Diarrhea and Wind Colic. Castoria relieves Teething Troubles. Cartoria ourss Constipation and Flatulency.

Castoria neutralizes the effects of carbonic acid gas or poisonous air. Castoria does not contain morphine, opium, or other narcotic property. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.

Castoria is put up in one-size bottles only. It is not sold in bulk. Don't allow any one to sell you anything else on the plea or promise that it is "just as good" and "will answer every purpose," See that you get C-A-S-T-C-R-I-A.

The location is a gightly one and the grounds can be easily improved and made beautiful. Stafford, who married the daughter not prove the sevent of the sum of \$150.04 and sential to them for food. Recently a consignment of red deer, wild sheep and boar setters has been received and boar setters has been received and boar setters has been received and setters have been received and sette from Austria. Foxes, rabbits and to these enterprises, hoping and exous, and the foxes especially have multiplied so that special measures will have to be taken to kill them off. There are extensive dog kenomers are important the law however, were successful. The law Miss

A highly interesting account is given of the efforts made to protect and increase the game birds. The greatest thing yet accomplished is the introduction of the Chinese pheasant, an exceedingly beautiful bird, almost identical with the Engbird, almost identical with the Unique buildings in the u lish pheasant, but well adapted to our climate. Buckwheat is planted at intervals throughout the park for the special benefit of the partridge and quail. These are a few of the valuable details of what Mr. Corbin is doing in central New Hampshire. He was born there in the town of Newport, which is just south of his great forest park, and he and his wife first met each other at "the litter of school bouse" in that town. No mention is made by the New England writer of the amount of money which Mr. Corbin has extended in his great work, but it must be far more than \$500,000. We must be far more than \$500,000. We The New Way East

money which Mr. Corbin has expended in his great work, but it pended in his great work, but it pended in his great work, but it though not so large as the great bowlder called Pierre de Marmettes, at Monthey, in the canton of Valais, has ever made a wiser or more adon't try to fool your mother like though not so large as the great bowlder called Pierre de Marmettes, at Monthey, in the canton of Valais, on which a chalet was built.
