A Terrible Visitant.

Pain is always a terrible visitant, and often domiciles itself with one for life. This infliction is preventible, in cases of 1500 rheumatism, by a timely resort to Hostetter's Stomach Bitters, which check the encroachments of this obstinate and 100 dangerous malady at the outset. The term "dangerous" is used advisedly, for 1 rheumatism is always liable to attack the vital organs and terminate life. No testimony is more conclusive and con-300 current than that of physicians who testify to the excellent effect of the Bitters in this disease. Persons incur a wetting 25 in rainy or snowy weather, and who are exposed to draughts, should use the Bitters as a preventive of ill effects. Mala-1000 ria, dyspepsia, liver and kidney trouble, nervousness and debility are also among the ailments to which this popular med-2635 icine is adapted For the infirmities, soreness and stiffness of the aged it is

The signs of the times are favorable to prosperity for this country, in the near 2362 future. There is a revival of manufacturing industry all over the New England states, and a prospect for good crops and better prices through the central and 6000 western states. A prediction recently made by the Gilbert Manufacturing Co. 1 of New York, shows the way things look in the east: "We expect to see a big boom, perhaps equal to one we had in 680 1889 and 1890. Every high-class loom in the United States will be running 1 inside of thirty days and will not be able to supply the demand."

highly beneficial.

Any one who has ever had an attack of inflammatory rheumatism will rejoice with Mr. J. A. Stumm, 220 Boyle Heights, Los Angeles, over his fortunate escape from a siege of that distressing ailment. Mr. Stumm is foreman of Merriam's confectionery establishment. Some months ago, on leaving the heated work room to run across the street on an errand, he was caught out in the rain. The result was that when ready to go home that night he was unable to walk, O'Bryan. Ordered that prayer of peti- owing to inflammatory rheumatism. trees and shrubbery:

Coal oil.

MARRISON STREET, STREE

CATERPILLARS. We copy the following recipe from the report of the Secretary of Agriculture, for destroying the eggs, and matured caterpillar on fruit

Water Soap (Whale Oil). The soap is dissolved in the water, brought to a boiling point, remove from fire, add the coal oil, then churn rapidly until a complete emulsion is formed. This is a cheap and harmless recipe, we recommend it. (Cut this out and preserve for future reference.)

ROGERS BROS.' Pharmacy.
