NOTICE OF SHEBIFF'S SALE.

NOTICE is hereby given that the undersigned, as sherilf of Yamhili county, state of Oregon, by virtue of a writ of execution issued out of the circuit court of the state of Oregon, for the county of Yamhili, on the 24th day of April, A. D. 1896, and bearing said date, upon and to enforce that certain judgment rendered by B. F. Rhodes, justice of the peace, in and for justice of the peace, in and for justice of the peace and constable district No. 6, Yamhili county, Oregon, on the 19th day of March, A. D. 1895, in favor of F. M. Stow, plaintiff, and against S. J. Dunu and A. J. Dunu, defendants, for the sum of Thirty-Seven and 10-100ths dollars, with interest thereon from March 19th, 1894, at the rate of 8 per cent per annum, and the costs and disbursements taxed at \$11.65.

And whereas, aid judgment was filed and docketed in the office of the circuit court of said state of Oregon, for the county of Yamhili, on the 15th day of Jamary, A. D. 1895.

And whereas, by virtue of said pudgment and execution I did on the 24th day of April, A. D. 1895.

And whereas, by virtue of said pudgment and execution of the Portland and Lafayette county roads and running thence southwesterly along the line of the Portland road if ords to the north bank of the Yamhili river at low water mark; thence up stream along the line of low water mark; thence up stream along the line of low water mark; thence up stream along the line of low water mark of said river on a line parallel with said Portland road if the roads to the north bank of the Yamhili river at low water mark of said river on a line parallel with said Portland road in the place of beginning, containing one acre, and being a part of the donation land claim of Steward Hanna and Mary Jane Hanna, his wife, and being the land formerly occupied by the Dayton Flour Mill Co. as the site of their mill and warehouse, and struate near or at Dayton, in Yamhili county, Oregon.

Now, therefore, by virtue of said execution, I. Will, on Saturday, the 23d day of June, A. D. 1895.

for Infants and Children.

EMSHIRTY years' observation of Castoria with the patronage of millions of persons, permit us to speak of it without guessing. It is unquestionably the best remedy for Infants and Children the world has ever known. It is harmless, Children like it. It gives them health. It will save their lives. In it Mothers have something which is absolutely safe and practically perfect as a child's medicine.

Castoria destroys Worms. Castoria allays Feverishness. Castoria prevents vomiting Sour Card. Castoria cures Diarrhœa and Wind Colic. Castoria relieves Teething Troubles. Castoria cures Constipation and Flatulency.

Castoria neutralizes the effects of carbonic acid gas or poisonous air. Castoria does not contain morphine, opium, or other narcotic property. Castoria assimilates the food, regulates the stomach and bowels, giving healthy and natural sleep.

Castoria is put up in one-size bottles only. It is not sold in bulk, Don't allow any one to sell you anything else on the plea or promise that it is "just as good" and "will answer every purpose," See that you get C-A-S-T-O-R-I-A.

Children Cry for Pitcher's Castoria.

MONEY IN AMERICA.

"Nothing is more curious and interesting," says Mr. Adams, "than to watch the impulse given to intellectual activity as the tide of money ran from south to north. In 1515 Raphael and Michael Angelo were in their prime; in 1519 Luther denied the papal supremacy; in 1535 Calvin published his 'Institutes'; in 1564 Shakspeare was born, and within the next thirty years was writing his plays, while Bacon was in Parliament, and Drake had become the again made an assignment. greatest seaman in the world." The the merchants of London in 1600. More currency was required, and as it could not be obtained from the country brought but little gold and lowed by a severe cold spell. silver with them, and were obliged easy production, he conceived the project of making in the current coin of the province. He sent emissaries to sweep the shores of Long Island, which abounded in shell-fish, and loads of these were made into paying the worthy Dutchmen their outer boxing. own price-in Indian money. But when the latter attempted to pay would do but metallic currency.
