AS "SAM'L OF POSEN" SAYS:

"All we want is a chance." Give us that, and we will give you values that you will remember when you are grandmothers Our reputation is not founded on what we claim for ourselves, but what people find in us. The people who read our "ads" will not take the statements therein made as facts until they have learned through experience that we do what we claim. To tell you that we have the best and purest line of drugs, only discloses a well-known fact,-we won't say anything more about it here, but come and see us.
