Have you Noticed our New BLUE FRONT?

The inside of our store is alright too. In fact we are alright all the way through. We've got the largest line of groceries in town, and are selling them just a little cheaper than the cheapest.

Persons whose business it is to supply cook wagons will do well to call on us. We will give you a bargain on large orders.

We are headquarters for fresh fruits. We are apt to receive both the first and the last shipments of fruit that reach this market.
