How to Prevent Pneumonia

At this time of year a cold is very easily contracted, and if left to run its course without the aid of some reliable cough medicine is liable to result in that dread disease, pneumonia. We know of no better remedy to cure a cough or cold than Chamberlain's Cough Remedy. We have used it quite extensively and it has always given entire satisfaction.—Olagah, Ind. Ter., Chief.

This is the only remedy that is known to be a certain preventive of pneumonia. Among many thousands who have used it for colds and la grippe, we have never yet learned of a single case having resulted in pneumonia. Persons who have weak lungs or have reason to fear an attack of pneumonia, should keep the remedy at hand. The 25 and 50 cent sizes for sale by S. Howorth & Co.

Why suffer with coughs, colds and la-grippe when Laxative Bromo Quinine will cure you in one day. Does not produce the ringing in the head like sulphate of quinine. Put up in tablets convenient for taking. Guaranteed to cure or money refunded. Price 25 cents. For sale by Rogers Bros. 38m6

An Alaskan Letter.

C. W. Watts of Albany, who is well known to many persons here, writes from Skaguay under date of Nov. 24th. We copy from the Herald of the 30th:

A letter received yesterday by Mrs. C. W. Watts from her husband at Juneau, Alaska, states that he reached that place safely and had made a trip to Skaguay, 100 miles distant, and had returned to Juneau. The ice had so encroached upon the northern waters that the vessel was unable to reach Dyea.

Mr. Watts writes that he may return home by Christmas, but will return in February with the intention of going into the mines. He says a rich strike has been made only a few miles distant from Skaguay.

In his letter he says: This forenoon 27 miners came in direct from Dawson City. They were 57 days coming out. They brought 100 pounds of gold dust and nuggets and exchange, no one knows how much. But one gentleman here saw as much as \$250,000. They ran out of sugar and rice and once, reaching a place where some was stored, they paid for each at the rate of one dollar a tea cup. One of these men was the noted "Swift Water Bill," the man who won much notoriety recently by playing so recklessly at faro. A day or so before leaving there he lost \$2000 shooting craps. He would allow no one there to wear diamonds, but bought them all up. He is covered with them—beauties, too. Just before leaving there two men on his claim in 14 hours digging took out 512 ounces of gold amounting to \$8192. On the boat coming down from Skaguay to Juneau he and another miner amused themselves pitching \$20 nuggets at a crack in the carpet, showing off of course, but he said "what of it, I have got more money than I know how to spend." He returns in March.

With this party also came the manager of the company that is putting in the telegraph line from Skaguay to Dawson City. They have 70 tons of wire along the line and will have it running by March 1st. Then Dawson City, counting exchanges, will be in four days communication with Skaguay instead of 50 at present. It will be built without a doubt.

With the above crowd came Mr. McGee, the millionaire from California. He

is 60 years old, yet he came out 700 miles stout and well.

The steamer Seattle sails at once so I must close. I just send you this as an instance of perhaps one in 1000 where the man struck it. Flour is \$3 a lb and other things in proportion at Dawson City, yet no one will starve.

Estate of Chas. Handley. Fifth semi-annual account approved.

When wear begins to exceed repair in your body you are going to fall sick. The signs of it are loss of flesh, paleness, weakness, nervousness, etc. The repair needed is food. You think you eat enough and yet you feel that you wear out more tissue, energy, nerve-force, than your food makes for you. The difficulty is that you do not digest enough. And this is so serious it is worth sitting down seriously to think about. If you can't digest what you eat, take a few doses of Shaker Digestive Cordial. The effect of it will be to increase your flesh and make you feel stronger. You won't fall sick. Proof that it is in control of your repair apparatus. It is easy enough to test this for yourself. Take a few bottles of Shaker Digestive Cordial. Sold by druggists at 10 cents to \$1.00 per bottle.
