NEWBERG.

A. B. Cornell has moved his family to Sherwood.

The Peters Bros. are building a bowling alley on Main street.

H. D. Fox and wife are the proud possessors of a girl, aged eleven.

An enjoyable surprise was tendered Miss Lola Hendershott on her birthday, last Thursday.

Christmas will be observed by the M. E. Sunday school on Christmas eve. The usual entertainment, followed by a tree, will be the order of the evening.

Everyone is sure of being the winner of the lady's bicycle being guessed for at Porter's store. Jar of beans, and guesses run from 400 to 26,000.

On Friday eve, J. W. Barrie and wife entertained at whist. Miss David and C. B. Frizzell won the head prizes, and the booby prizes fell to Mrs. Ellwood and G. P. Kenyon. A lovely luncheon was served at the close.

WHITESON.

Mr. Newton Woomer and daughters of Chehalis visited Mrs. Lora Gates over Saturday and Sunday.

Loran Cox of Portland was in Whiteson several days last week on business and visiting his parents. We always like to meet old friends.

J. C. Parrott has rented and moved into Will Robbins' house. Will is going back to Nebraska in the near future. Whiteson hates to lose good citizens.

Mr. and Mrs. G. F. Smith have taken into their family an interesting little girl ten years of age. She comes from the boys' and girls' aid society in Portland.

F. M. Glover has purchased the property belonging to Miles Houck and moved into a house opposite the jelly factory, owned by Mr. Wallace of McMinnville.

The Telephone-Register practically admits that its legs are long enough to reach from Jefferson democracy to extreme populism, and invites everybody to get on the platform anywhere and promises to stand in with them for any office to the president down, then goes and talks about President McKinley and the republican platform being a straddle.

The Polk County Observer says McMinnville has made sixty-five gallons of

sorghum this year, and states that Mr. Imus' experiment is the first made in Yamhill county. This is a mistake. Last year O. V. Remington and daughter raised the cane and manufactured eleven gallons of excellent sorghum. Whiteson is entitled to the honor of being the first to try the experiment.

Don't be persuaded into buying liniments without reputation or merit—Chamberlain's Pain Balm costs no more, and its merits have been proven by a test of many years. Such letters as the following, from L. G. Bagley, Hueneme, Cal., are constantly being received: "The best remedy for pain I have ever used is Chamberlain's Pain Balm, and I say so after having used it in my family for several years." It cures rheumatism, lame back, sprains and swellings. For sale by S. Howorth & Co.

The Reporter and Weekly Oregonian one year for \$2, strictly in advance.

Columbus School Notes.

The subject for debate Friday night is—Resolved, That money has more influence over man than woman has.

Professor informs us that there will be an institute held here on Wednesday of our holiday week. Several of our pupils have been asked to take part in the program.

Where are the books that were purchased last winter for our library? Anyone having them please return to the library. We think we should have a librarian to see that the books when taken away are brought back.

High School Notes.

Elsie Hobbs was numbered on our sick list Wednesday.

There is some talk of a game between the Forest Grove athletic club and our team.

Harvey Walker has been absent from school the past week on account of sickness.

Professor and the tenth grade had quite a discussion Wednesday as to whether a teacher should compel a pupil to study. We think the class decided he should, if possible.

The football game at Lafayette last Saturday between the seminary and our school resulted in a victory for the high school by a score of 6 to 0. It was not an easy victory for our boys, but was won only by their superior team work.

Cook School Notes.

Willie Bodle has returned to school after an absence of two weeks.

Several students have been transferred to us this week from the other school.

Each pupil has received his report book and parents should sign and return to teacher.

The 5th and 6th grades had a quarter of a day's vacation Tuesday to attend the funeral.

Teacher's reports are in for last month, with 90 pupils on the roll of honor, 177 pupils on record and five tardies in the building.

A week ago last Tuesday Willie Dickinson was in his seat, and on the next Wednesday he was not at school, and in a few days the report came that Willie had the typhoid pneumonia. At 3:15 p. m. last Monday, he passed into eternal rest. Willie was one of the best students of the 6th grade, and we all mourn his loss. His parents, brother and sister all have the sympathy of the pupils from school. Peace be unto him.

Children are Important

customers in our estimation. When they are sent to us on a trading errand, we always remember that they are not discriminating buyers, and we take special pains to see that they get what both you and they want. Then we always try to be prompt in waiting on them—there is always a little worry about them at home when they are sent upon an errand and stay too long, often through no fault of their own.

McMinnville, Oregon.

Positively Going Out of Business!

Goods At Auction Prices Regardless of Cost!

Since deciding to go out of business we have sold about one-half of our stock, and wish to dispose of the balance by January 1st. In order to do this we will sell at Auction prices, regardless of cost, no reasonable offer being refused. We will also have

Auction Sales Every Wednesday and Saturday Afternoons and Evenings!

Until further notice, commencing Saturday, November 27. We are positively going out of business, and are bound to sell out quickly, if a slaughter in prices will do it. Our assortment of Men's, Boys' and Children's Clothing, Hats, Shoes and Furnishing Goods is yet complete. Come early and get honest goods at your own price.
