

How Relief Came.

This is the sequel of a terrible calamity which affected many sections of the country some years ago. A host of victims suffered disease and death. The survivors have now a new reason to rejoice.

About seven years ago the La Grippe visited various sections of the country in its deadly miasmatic disease and death among its hosts of victims.

Most of those afflicted who escaped death then, have lived on in suffering, broken in health and ambition; for the after-effects of this disease are dangerous.

A large portion of the survivors have a feeling of oppression in the chest.

A little exertion causes a violent action of the heart, described as "palpitation."

There is mental anxiety, depression, blueness of the skin, indicating impaired circulation of the blood.

The sluggishness of its circulation impairs the functions of most of the organs; the stomach and intestines fail to perform their work, while the appetite and digestion become seriously affected.

This complaint has baffled eminent physicians and exhausted the results of pharmacopoeia.

Recently, however, a means for a cure has been obtained.

Among those who have been restored to health by it is Herman H. Eveler, of 811 W. Main Street, Jefferson, Mo., a resident of that city for thirty-eight years, well known as a successful contractor.

He was one of the victims of the "Grippe" seven years ago and has since been troubled with its after-effects.

"That he lives to-day," he says, "is due to a remarkable occurrence.

"I was taken with a malady just after the "Grippe" visited this section and caused so

many fatalities about seven years ago.

"I was troubled with shortness of breath, palpitation of the heart and a general debility. My back also pained me severely.

"I tried different doctors and carefully followed their directions, but no benefit was apparent. I used numerous remedies that were highly recommended but no satisfactory results were obtained.

"I began to give up all hope of receiving relief. My condition was deplorable.

"In reading a St. Louis newspaper I noticed an article extolling Dr. Williams' Pink Pills for Pale People.

"After making inquiries regarding them I concluded to give the pills a thorough trial.

"I used the first box and was wonderfully relieved.

"I bought two more boxes and continued taking them.

"A marked improvement was soon noticeable; the shortness of breath, the palpitation of my heart and kindred ailments began to abate.

"After taking four boxes of these pills, I was restored to good health.

"I feel like a new man now, and can transact my business with increased ambition."

To add strength to his story Mr. Eveler made affidavit before Notary Public Adam Poutsong and he will gladly answer inquiries to those enclosing stamp for reply.

The reason that Dr. Williams' Pink Pills for Pale People are helpful in such cases as this, is that they are composed of vegetable remedies which act directly on the impure blood, the foundation of disease.

Spring Medicine

It is true wisdom for every-body to take a thorough course of Swift's Specific just at this season of the year. The blood is sluggish and impoverished, and the system is full of impurities which should be eliminated. In addition to thoroughly cleansing the blood, and toning up the system so as to avoid loss of appetite and a general run-down feeling in the spring, S. S. S. so strengthens and builds up as to fortify against the many forms of dangerous illness that abound during the hot summer season. It is a very small matter to take this pre—on but it insures health and strength all summer. Swift's Specific

S. S. S. For the Blood

is far ahead of all other remedies for this purpose. It is a real blood remedy which promptly purifies the blood and thoroughly renovates the entire system, tones and strengthens the stomach, and renews the appetite. It is the only safe tonic, being purely vegetable, and the only blood remedy guaranteed to contain no arsenic, sulphur, mercury, potash or other mineral substance, which is of so much importance to all who know the injurious effects of these drugs. Nature should be assisted by nature's remedy, S. S. S. Take S. S. S. and be well all summer.
