

A Woman's Work.

For thirteen years this woman suffered from a helpless infirmity which baffled skillful medical treatment. She was restored to health in a remarkable manner, and is now helpful to other sufferers.

For thirteen years Mrs. George L. Rogers, of West Main Street, Canton, N. Y., suffered from the indescribable tortures of inflammatory rheumatism. Only persons who have been afflicted with this disease know what such suffering is. Those who have never felt the pangs of this ailment have not the remotest idea of its torture. For years this was an obstinate disease to cure. In recent years, however, there has been formulated a remedy which successfully cures it. The many cures effected by Dr. Williams' Pink Pills for Pale People attest to that fact. One of the striking examples is Mrs. Rogers' experience. In speaking of it to a reporter she said: "Thirteen years ago I was attacked with inflammatory rheumatism and a complication of diseases. I cannot begin to describe my sufferings during that time. You can judge somewhat of what I endured, when you look at these hands." They were distorted, twisted and swollen. "My foot, too, is so much out of shape that the big toe lays across the others, the end touching the little toe. "Notwithstanding I am sixty-five years old, have a pleasant home and other comforts, life to me was far from enjoyable, for all other things pale into insignificance when you are without good health.

"I tried different doctors and many proprietary remedies, but no permanent benefit was obtained. "Last March I was induced to try Dr. Williams' Pink Pills for Pale People. "Before I had finished the first box I began to feel that they were doing me good. "I continued using them and steadily grew better. "I have used thirteen boxes of the pills and to-day feel better than for the past fifteen years. "My appetite is good; I feel bright, cheerful and have a desire to live and enjoy society. "I have been a member of the Methodist church for many years, but for six years was unable to attend. "Now I am able to attend the church services regularly and certainly appreciate that privilege. "I consider Dr. Williams' Pink Pills for Pale People a wonderful medicine and am confident no other remedy could have effected the wonderful cure they have in my case. "I am glad to state this, hoping that some sufferer may profit by it and obtain relief. "It was nature's own remedy that accomplished this cure caused by impure blood, for Dr. Williams' Pink Pills for Pale People are composed of vegetable remedies that exert a powerful influence in purifying and enriching the blood. Many diseases long supposed by the medical profession to be incurable have succumbed to the potent influence of these pills. This universal remedy is sold by all druggists.

SOME GOOD REASONS.

While it is rather hard on the prohibitionists that M. D. Markham should decline the nomination for state printer, yet the reasons he gives are as solid as Gibraltar itself. He says they are as follows: "First—That we have two leading parties, one of which, in my judgment, is advocating principles which, if carried into effect, would be ruinous to our government, hence it behooves every good patriotic citizen to see that his vote is not thrown away, but cast for the party that stands for what we think is an honest government, and not a repudiation of any of our contracts. "Second—Because your national convention in 1896 was made up of two elements that proved that they had the great money issue at heart above prohibition, hence divided. "Third—My plan for doing true prohibition work is for every true temperance prohibition christian voter to go to the primaries of his own party and try to elect good temperance men for your delegates, and if you are not strong enough to carry your primaries you are not strong enough to carry an election; then you run no risk of throwing your influence toward any other than a stable government, with an honest dollar; provided, however, that you vote for the party who advocates those principles, which I think the most of you would."

ENCOURAGING FIGURES.

The balance of trade in favor of the United States during the last six months of the calendar year, 1897, amounted to the sum of \$175,036,060. During the first two months of this year the total exports from the United States of domestic products amounted to \$200,015,851. The total imports for the same time amounted to \$103,888,787, leaving a balance of trade for the two months amounting to \$96,127,064. The balance of trade in our favor the first eight months under the Dingley bill \$271,163,025. Considerable of this went to pay off American debts in Europe. The total amount of money in circulation in the United States on April 1st, 1897, was \$1,669,007,694. The total amount in circulation among the people of the United States outside of the treasury on April 1st, 1898, is \$1,756,058,645, an increase of the actual money in circulation among the people outside of the treasury of \$87,047,949. Of this amount March furnished an increase of \$29,681,986. These facts certainly furnish evidence of considerable increase of prosperity. A long program was rendered by piano pupils of Mrs. Evenden and the ladies Treble Ciel club, also under Mrs. Evenden's instruction. Pupils who had a part were: Misses Florence Dielschnoeder, Vern Fenton, Pearl Campbell, Edna Hodson, Grace Sutherland, Marie Irvine, Rosa Goucher, Cecile Wilcox, Elvie Apperson, Nellie and Freda Latourette, Maud Hobbs, Rebecca Dumphy, Letha Henry, Fleta Magers, Fern Stout and Virginia Spencer. Don't Invite Sickness

Which is better, to thoroughly cleanse and purify the blood just now, or make yourself liable to the many dangerous ailments which are so prevalent during summer? Impurities have been accumulating in the blood all winter, and right now is the time to get rid of them. A thorough course of Swift's Specific is needed to cleanse the blood and purify the system, toning up and strengthening it all over. Those who take this precaution now are comparatively safe all summer; but to neglect it is to invite some form of sickness which is so common during the trying hot season. It is now that a course of Swift's Specific will accomplish so much toward rendering the system capable of resisting the evil influences which are so liable to attack it during the summer when sickness is so abundant. It is the best tonic and system-builder on the market, because it is a real blood remedy and is made solely to search out and remove all impurities, and supply an abundance of pure, rich and red blood. S. S. S. is made exclusively of roots and herbs, and is Nature's own remedy. It is purely vegetable, and is the only blood remedy guaranteed to contain no potash, mercury or other mineral. Be sure to get S. S. S. There is nothing half as good.
