 Lin Parker never prided himself on being a very brave bee man, but he concluded to try his hand at hiving a swarm of bees one day last week when a swarm came out and settled on a limb in the yard, says the Newberg Graphic. He gave his face and hands good protection and bravely waded in and was getting on nicely, after shaking the little hummers down in front of the hive, when he discovered that his ankles had been forgotten and that a hundred or more bees were looking up his pants legs for the queen bee. It was a very public place he was in, but Lin says he parted with his garments at a rate that would do credit to a trained stage performer. He got the bees hived, though.
 Something over \$47 was taken in last Saturday afternoon and evening at the social and luncheon given by the Emergency corps for the benefit of the boys in blue. There was an abundance of good things on the lunch tables and the ice cream was pronounced excellent. The decorations were appropriate and generally admired. However, interest centered in the corners given up to photographs of "Our Boys,"—such ones as went from Yamhill county or were well known here. It was much regretted that more pictures could not be secured, as it was desired to have everyone of Yamhill's brave sons. The ladies are very grateful to every one who contributed toward making the affair such an unqualified success, and especially to R. Jacobson & Co., who donated the use of the hall, and Elsie Wright, F. C. Ferguson and Mrs. Edith Fletcher and the McMinnville band for favors rendered.
