Residents of the north part of town think they have the laugh on Dr. Baker. His horse recently strayed from the stable. The doctor in searching, saw a horse in the vicinity of Geo. A. Prentiss' residence, and decided it was his and went after it. He was about to hitch up the animal when Mr. Prentiss came over and claimed his own. Upon closer inspection the doctor decided it wasn't his and later found his horse in another part of town.

Mrs. L. Crenshaw, whose case in court was continued, departed for Portland soon after adjournment of court, without notifying her bondsmen of her intentions. They became alarmed and had the Multnomah county sheriff take her in custody. Deputy Sheriff Henderson went down to the city Monday and brought the prisoner back, and she is again languishing in the county jail, until the meeting of Judge Boise's term on the 18th inst. The woman had gone to work in a prune packing establishment.

On Wednesday of last week, at the home of the bride's parents, near Carlton, Mr. John P. Thomason and Miss Lucretia D. Merchant were united in marriage by Frank Abram Powell. Copper Colored Splotches.

There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.

I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctors could do no good, I had spent a hundred dollars, which was really thrown away. I then tried various patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved and was delighted with the result. The large red splotches on my chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass.
 H. L. MYERS, 100 Mulberry St., Newark, N. J.

Don't destroy all possible chance of a cure by taking the doctor's treatment of mercury and potash. These minerals cause the hair to fall out, and will wreck the entire system.

S.S.S. For the Blood
 is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no potash, mercury, or other mineral.
