The college team lost their game of football to Newberg on Saturday, by a score of 4 to 0. The game was hotly contested, and two of the home team were injured, Prof. Lumbach receiving a bruised knee and Lair Thompson a cut over the eye, which bled profusely, though he continued to play. The new officers elected at the county endeavor convention last Saturday were: Mrs. F. A. Elliot, president; Rev. F. E. Billington, vice president; J. B. A citizen of McMinnville whose head is pretty level, says he has been faked so much patronizing traveling shows that he has made up his mind to stand by the home entertainments, as he has proved to his complete satisfaction that he gets better return for his money, more enjoyment, and the money stays in the community. The soldier boy who went out from Oregon will not be at the Thanksgiving board this year, but if he were, there would be a demand for turkeys larger than the Lord grows them. As it is, we can be thankful that he has not had to face destructive battle, and breathe a prayer that he may be spared from the pestilence that "stalketh abroad at noon-day." The writer last spring intimated that J. B. Gardner showed a tendency to prevaricate concerning the forwardness of his garden, and he now visits retribution upon us by sending to The Reporter office a sample of his Dimnick potatoes weighing 3 pounds and 7 ounces. He says it would be larger if it hadn't come in contact with the public highway. Gardner is all right on results in the fall, but we still insist his enthusiasm gets away with him in the spring. The Ashland Tidings says the shipment of peaches from Ashland station by Wells-Fargo's express and the S. P. R. R., for the season of 1898, amounted to 59,398 boxes, as compared with 70,761 boxes for the season of 1897. The average price on board the cars in Ashland last year was estimated at 30 cents per box, while this year it averaged 47 1/2 cents per box, largely due to the drought and short crop in California. Thus it will be seen that in round numbers the 60,000 boxes this season realized \$28,500, as against \$21,000 brought for the 1897 crop of 10,000 more boxes—or \$70,000 boxes.

Oh, the Pain of Rheumatism!

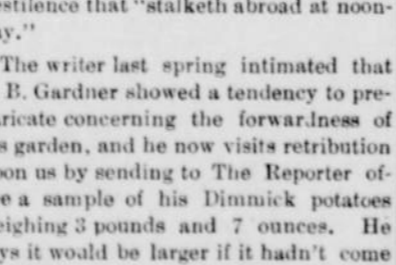

Rheumatism often causes the most intense suffering. Many have for years vainly sought relief from this disabling disease, and are to-day worse off than ever. Rheumatism is a blood disease, and Swift's Specific is the only cure, because it is the only remedy which can reach such deep-seated diseases. A few years ago I was taken with inflammatory Rheumatism, which became so intense that I was for weeks unable to walk. I tried several prominent physicians and took their treatment faithfully, but was unable to get the slightest relief. In fact, my condition seemed to grow worse, the disease spread over my entire body, and from November to March I suffered agony. I tried many patent medicines, but none relieved me. Upon the advice of a friend I decided to try S. S. S. Before allowing me to take it, however, my guardian, who was a chemist, analyzed the remedy, and pronounced it free of potash or mercury. I felt so much better after taking two boxes that I continued the remedy, and in two months I was cured completely. The cure was permanent, for I have never since had a twinge of Rheumatism though many times exposed to damp and cold weather.

WILL POWELLEN AVENUE, PHILADELPHIA. Don't suffer longer with Rheumatism. Throw aside your oils and liniments, as they can not reach your trouble. Don't experiment with doctors—their potash and mercury will add to your disability and completely destroy your digestion.

S.S.S. For the Blood will cure perfectly and permanently. It is guaranteed purely vegetable, and contains no potash, mercury, or other mineral. Books mailed free by Swift Specific Co., Atlanta, Ga.
