Mrs. Geo. Bewley and children of Salem have been visiting friends in McMinnville the past week. Mrs. Bewley performed a feat few women are equal to in coming over. She drove her own horse, held a baby in her arms, an umbrella over the baby, and kept another child from falling out of the buggy.

The young people of Lafayette gave a social party in Littlefield's hall last Friday evening. The following young people of this city were invited and were present: Misses Mollie and Mattie Patty, Elsie and Mand Hobbs, Miss Mary Bird, Glen Henderson, Lester Daniels and Louie Nelson. They report a very pleasant evening.

The treasury department has made a ruling to the effect that any curio picked up on the field of battle at Manila and sent home purely as relics, may be admitted free of duty. In all cases where the mementoes are for speculative purposes a duty will be collected. Heretofore the returning volunteers bringing curios from Manila have been obliged to pay a duty amounting to more than the collection was worth.

The statement which was made at the beginning of the operations of the Quaker Medicine Co., in this city, that the citizens of this community would be doing all the talking necessary in praise of the Quaker remedies, was taken with a grain of salt, but at present it seems that it was the unvarnished truth, for quite a number of our prominent citizens seem to never tire of praising the work of these remedies for a multiplicity of human ailments.

A queer case in court was closed at Dallas during the December term. J. D. Belt, a druggist of that city, owned a gray horse. A Marion county man also owned a gray horse. Both horses were missed and believed to have been stolen from their owners about the same time. Belt found his horse, as he thought, over in Tillamook county, and took possession. The Marion county man saw the horse, and believing it to be the one stolen from him, brought suit to recover. The first trial, held some time ago, resulted in failure of the jury to agree. At the second trial this month, two blacksmiths, one from Marion and the other from Polk county, swore that the horse in Belt's possession was the same he had shod at the respective homes of the contestants. The horse Belt owned was sold at one of John Henderson's sales in this county, and Mr. Henderson was called as a witness. After seeing the horse, he swore that to the best of his knowledge and belief the animal was the same as sold at his sale, and it is well known that Mr. Henderson is a keen judge of a horse. Notwithstanding this, the jury returned a verdict for the Marion county man, who took possession. The trial was all in good nature between the contestants, and each is said to be just as confident as ever that the horse recovered is the one that walked out of his barn behind the thief.

A dwelling house belonging to Pate brothers, near Dundee, was destroyed by fire last Friday morning. The occupant lost all his household goods, and we understand there was no insurance on the house.

Crippled by Rheumatism.

Those who have Rheumatism find themselves growing steadily worse all the while. One reason of this is that the remedies prescribed by the doctors contain mercury and potash, which ultimately intensify the disease by causing the joints to swell and stiffen, producing a severe aching of the bones. S. S. S. has been curing Rheumatism for twenty years—even the worst cases which seemed almost incurable.

Capt. O. E. Hughes, the popular railroad conductor, of Columbia, S. C., had an experience with Rheumatism which convinced him that there is only one cure for that painful disease. He says: "I was a great sufferer from muscular Rheumatism for two years. I could get no permanent relief from any medicine prescribed by my physician. I took about a dozen bottles of your S. S. S., and now I am as well as ever was in my life. I am sure that your medicine cured me, and I would recommend it to any one suffering from any blood disease."

Everybody knows that Rheumatism is a diseased state of the blood, and only a blood remedy is the only proper treatment, but a remedy containing potash and mercury only aggravates the trouble.

S.S.S. For the Blood

being Purely Vegetable, goes direct to the very cause of the disease and a permanent cure always results. It is the only blood remedy guaranteed to contain no potash, mercury or other dangerous minerals.
