A Cincinnati man recently advertised his desire to sell a valuable secret for 50 cents. He stated that he would tell how he was cured of smoking, drinking, swearing, staying out at night, going to the races, gambling, and how he gained twenty pounds in weight in two years. Several persons sent him 50 cents each and here is the secret they received: "Just cured of all the bad habits named by an enforced residence of two years in the Ohio state prison." If you suffer from tenderness or fullness on the right side, pains under shoulder-blade, constipation, biliousness, sick-headache, and feel dull, heavy and sleepy your liver is torpid and congested. Mr. Wm. Walpole, of Walshtown, S. D., says: "A little blotch about the size of a pea came under my left eye, gradually growing larger, from which shooting pains at intervals ran in all directions. I became greatly alarmed and consulted a good doctor, who pronounced it Cancer, and advised that it be cut out, but this I could not consent to. I read in my local paper of a cure effected by S. S. S., and decided to try it. It acted like a charm, the Cancer becoming at first irritated, and then discharging very freely. This gradually grew less and then discontinued altogether, leaving a small scab which soon dropped off, and now only a healthy little scar remains where what threatened to destroy my life once held full sway. Positively the only cure for Cancer is Swift's Specific."

A Cincinnati man recently advertised his desire to sell a valuable secret for 50 cents. He stated that he would tell how he was cured of smoking, drinking, swearing, staying out at night, going to the races, gambling, and how he gained twenty pounds in weight in two years. Several persons sent him 50 cents each and here is the secret they received: "Just cured of all the bad habits named by an enforced residence of two years in the Ohio state prison." If you suffer from tenderness or fullness on the right side, pains under shoulder-blade, constipation, biliousness, sick-headache, and feel dull, heavy and sleepy your liver is torpid and congested. DeWitt's Little Early Risers will cure you promptly, pleasantly and permanently by removing the congestion and causing the bile ducts to open and flow naturally. They are good pills. Rogers Bros. A lank and awkward countryman presented himself at the clerk's desk at a Boston hotel, and, after having a room assigned to him, inquired "at what hours meals were served." "Breakfast from seven to eleven, luncheon from eleven to three, dinner from three to eight, supper from eight to twelve," said the clerk glibly. "Jerushy!" ejaculated the countryman, with wide open eyes; "when am I going to get time to see the town."

In McMinnville the other day, a game of base ball was played between the court house ring and the professional men of the city, for the benefit of the monument fund. It is said to have been the most exciting thing ever witnessed over there. A player would knock the ball inside the diamond and make a home run.—Tillamook Herald. Lonie Nelson returned Monday evening from Long Beach.
