The camping was not devoid of good results, Miss Mand, who a few months ago was so ill, having gained eight pounds during the stay.

Chris P. Yates, the Sheridan editor, was in town Tuesday. He has been appointed by Department Commander H. V. Gates to the office of judge-advocate. Brother Yates has a creditable and highly interesting work record, and one that would make an attractive sketch. The pastor will preach both morning and evening at the Cumberland Presbyterian church next Sunday. The subjects will be "The Mind of Christ," and "Every Man at His Best." To these services all are invited.

The following story of Clel Hayden, son of Ben Hayden of Polk county, is too good to keep. Upon his return from the Philippines, where he was one of the Second Oregon, while in San Francisco he attended the theater. In the course of the play an American flag was brought on the stage. With his usual impetuosity Clel raised up in his seat and yelled: "Hurrah for Old Glory." The vast audience arose as a body and gave a mighty cheer. His brother, Sam Hayden, our prosecuting attorney, who was with him, pulled him into his seat, and said, "Shut up! They'll think you're drunk." "I don't give a continental," said Clel, "it took just the same."—West Side.

In fact, he says, wheat is about all right if it doesn't rain any more.

During the civil war as well as in our late war with Spain, diarrhoea was one of the most troublesome diseases the army had to contend with. In many instances it became chronic and the old soldiers still suffer from it. Mr. David Taylor of Wind Ridge, Greene Co., Pa., is one of these. He uses Chamberlain's Colic, Cholera and Diarrhoea Remedy, and says he never found anything that would give him such quick relief. It is for sale by Howorth & Co.

The Oregonian had the following concerning a son of Hon. Wm Merchant, of this county: "Dr. Burns Merchant, formerly a Yamhill county dentist has just returned from the Klondike, where he spent two years in the practice of his profession. After visiting a few weeks in his native town, North Yamhill, he will start for a trip around the world, taking in Honolulu and Manila on his outward course and swinging homeward on Dewey's trail, reaching the United States again on the Atlantic side. The doctor did not dabble in mining stocks or wade around in the muddy places while in the Klondike, but perseveringly 'stuck to his last,' or rather to his forceps, and returned well satisfied with the financial result; so much so that he can afford to visit all the important spots on this terrestrial ball and afterward settle down to a competency in 'old Yamhill.'"

Good Pianos. When it comes to buying a piano, an article that is to occupy the most prominent position in your household, perhaps for a lifetime, we argue that you take no chances whatever in buying from an old established firm that has made a name and record that can be acquired only by a test of many years. If you buy either a Fischer, Ludaig, Knabe, Hardman or Harrington there is one sure thing, you are getting a good piano. Either of the above names on the front board of your piano signifies that you have not only bought a good high-grade piano, but that you have also bought it from Portland's leading music store.

If you have piles, cure them. No one undergoing horrible operations that simply remove the results of the disease without disturbing the disease itself. Place your confidence in DeWitt's Witch Hazel Salve. It has never failed to cure others; it will not fail to cure you.

CANCER IS DEADLY!

Results Fatally in Nine Cases Out of Ten—A Cure Found at Last. This fearful disease often first appears as a mere scratch, a pimple, or lump in the breast, too small to attract any notice, until, in many cases, the deadly disease is fully developed.

Cancer can not be cured by a surgical operation, because the disease is a virulent poison in the blood, circulating throughout the system, and although the sore or ulcer—known as the Cancer—may be cut away, the poison remains in the blood, and promptly breaks out afresh, with renewed violence. The wonderful success of S. S. S. in curing obstinate, deep-seated blood diseases which were considered incurable, induced a few despairing sufferers to try it for Cancer, after exhausting the skill of the physicians without a cure. Much to their delight S. S. S. proved equal to the disease and promptly effected a cure. The glad news spread rapidly, and it was soon demonstrated beyond doubt that a cure had at last been found for deadly Cancer. Evidence has accumulated which is incontrovertible, of which the following is a specimen:

"Cancer is hereditary in our family, my father, a sister and an aunt having died from this dreadful disease. My feelings may be imagined when the horrible disease made its appearance on my side. It was a malignant Cancer, eating inwardly in such a way as to cause great alarm. The disease seemed beyond the skill of the doctors, for their treatment did no good whatever, the Cancer growing worse all the while. Numerous remedies were used for it, but the Cancer grew steadily worse, until it seemed that I was doomed to follow the others of the family, for I know how deadly Cancer is, especially when inherited. I was advised to try Swift's Specific (S. S. S.), which, from the first day, forced out the poison. I continued its use until I had taken eighteen bottles, when I was cured sound and well, and have had no symptoms of the dreadful affliction, though many years have elapsed. S. S. S. is the only cure for Cancer.—Mrs. S. M. Idol, Winston, N. C. Our book on Cancer, containing other testimonials and valuable information, will be sent free to any address by the Swift Specific Company, Atlanta, Georgia.
