Looks Easy, But Isn't.

You are told so often by so many advertisers that they are selling shoes "worth so and so" for "this" and "that"—ever so much below what it is claimed they are worth—that you come to think it an easy matter to sell shoes for less than they're worth. But it isn't.

As a rule we must pay the makers of good shoes a good price, and we must make a profit or go out of business. If you want good shoes you must pay a fair price.

We could sell you junk at less than we can sell really good footwear, but you would not want it. You want only good shoes. We believe you are willing to pay fair prices.

You cannot make a linen duster out of a pig's ear, but you can find the finest line of buggy robes, whips, etc., ever brought to McMinnville, at the harness store of Elsa Wright.

The Hotel Gail at Dallas is spoken of as a very well conducted hostelry. F. J. Miller, who is conducting it, is now in this county looking after his hop crop, and has temporarily closed the dining room of the hotel, but it will be opened again about October 1st.

One Minute Cough Cure quickly cures obstinate summer coughs and colds. "I consider it a most wonderful medicine, quick and safe."—W. W. Merton, Meyhew, Wis. Rogers Bros.

The man behind the gun reports that young Denny pheasants are not as numerous as they were last year, but there are quite a number fattening themselves in the wheatfields nevertheless, for next month's slaughter.

They had a town ordinance at Forest Grove requiring the druggists to keep a record of prescriptions whose main ingredient is spirituous liquors. The mayor was required to inspect this record and report to the council. The mayor appointed Mr. Austin Craig to be his agent in the matter. Mr. Craig made one inspection and reported, at which time he filed a claim of \$10 for services. This was disallowed by the council. The claimant now brings suit against the city for that amount. It is understood that the city will defend the action.

Kodol Dyspepsia Cure thoroughly digests food without aid from the stomach, and at the same time heals and restores the diseased digestive organs. It is the only remedy that does both of these things and can be relied upon to permanently cure dyspepsia. Rogers Bros.

A Polk county hop grower estimates that the sum of \$750,000 will be distributed among the hop pickers of western Oregon this season. He estimates the number of pickers at 75,000 men, women and children, which would be quite an army if sent together, but they are scattered from Columbia county on the north, to Jackson on the south, on farms of from 200 acres down to 10, the average size of the hop fields being, perhaps, 25 acres.

Judge Hewitt and daughter of Albany, are stopping at Mr. H.'s mother, at Pleasantdale, Mrs. Henry Hewitt, who is seriously ill. The Stillwell family of Dayton, are well represented as school teachers. J. B. the head of the family, will teach the school in the Wirfs neighborhood the coming school year; Miss Inez will teach at the Bell school house, west of McMinnville; Miss Lena will teach Dayton Prairie school. Claire will attend Willamette University at Salem.—Dayton Herald.

Mrs. Will Kuns of Spokane, Wash., is in the city on a visit. Clarence Hendershott attended the state fair on Saturday and Monday. Mrs. M. M. Hodson is slowly recovering from an illness of several days. Mrs. F. C. Ferguson is visiting friends in Salem and attending the state fair. Mr. and Mrs. G. A. See Elsa Wright's fine line of single harness. The stock has just been filled up with the latest styles and the very best workmanship. 204f The new McMinnville bridge across the Yamhill is rapidly assuming shape. At the coming term of court two members of the same family are subpoenaed to testify in Dr. Watt's case against the Southern Pacific railway. All they know bearing on the case is the fact that they heard the whistle blow when approaching the crossing where the doctor was run into. Other members of the family are just as positive that the whistle didn't blow, and have tried to get on the other side of the case to contradict the testimony of the other members of the family, but so far their services have not been called for.

Kodol Dyspepsia Cure cures dyspepsia because its ingredients are such that it can't help doing so. "The public can rely upon it as a master remedy for all disorders arising from imperfect digestion."—James M. Thomas, M. D., in American Journal of Health, N. Y. Rogers Bros. C. A. Wallace was an interested spectator at the state fair the past week. It afforded him considerable satisfaction to witness the performances of little Alta Dell, the speedy pacer, which he broke to the harness about a year ago. The little thing won a heat in the 2:18 pace, in a crowd of much older horses, and gives evidence of greatly lowering her record as the years go by. She is owned by John Korstetter of Reedville, and is driven by Sawyer of Wheatland. Alta Norte, the colt owned and raised by H. C. Burns at the same time Mr. Wallace had Alta Dell, was also in the race and won it very nicely, after a spirited contest carried over from Saturday till Monday. She is now owned by Chris. Simpson of Heppner.

NEVER TOO OLD TO BE CURED.

S. S. S. is a Great Blessing to Old People. It Gives Them New Blood and Life.

Age does not necessarily mean feebleness and ill health, and nearly all of the sickness among older people can be avoided. Most elderly people are very susceptible to illness, but it is wholly unnecessary. By keeping their blood pure they can fortify themselves so as to escape three-fourths of the ailments from which they suffer so generally. S. S. S. will keep their systems young, by purifying the blood, thoroughly removing all waste accumulations, and imparting new strength and life to the whole body. It increases the appetite, builds up the energies, and sends new life-giving blood throughout the entire system.

Mrs. Sarah Pike, 477 Broadway, South Boston, writes: "I am seventy years old, and had not enjoyed good health for twenty years. I was sick in different ways, and in addition, had Eczema terribly on one of my legs. The doctor said that on account of my age, I would never be well again. I finally took S. S. S., and it cleansed me completely, and I am happy to say that I feel as well as I ever did in my life." Mr. J. W. Loving, of Colquitt, Ga., says: "For eighteen years I suffered tortures from a fiery eruption on my skin. I tried almost every known remedy, but they failed one by one, and I was told that my age, which is sixty six, was against me, and that I could never hope to be well again. I finally took S. S. S., and it cleansed my blood thoroughly, and now I am in perfect health."

S. S. S. FOR THE BLOOD is the only remedy which can build up and strengthen old people, because it is the only one which is guaranteed free from potash, mercury, arsenic and other damaging minerals. It is made from roots and herbs, and has no chemicals whatever in it. S. S. S. cures the worst cases of Scrofula, Cancer, Eczema, Rheumatism, Tetter, Open Sores, Chronic Ulcers, Boils, or any other disease of the blood. Books on these diseases will be sent free by Swift Specific Co., Atlanta, Ga.

A WONDERFUL CURE OF DIARRHOEA.

A Prominent Virginia Editor Had Almost Given Up, but Was Brought Back to Perfect Health by Chamberlain's Colic, Cholera and Diarrhoea Remedy. Read His Editorial.

From the Times, Hillsville, Va.

I suffered with diarrhoea for a long time and thought I was past being cured. I had spent much time and money and suffered so much misery that I had almost decided to give up all hopes of recovery and await the result, but noticing the advertisement of Chamberlain's colic, cholera and diarrhoea remedy and also some testimonials stating how some wonderful cures had been wrought by this remedy, I decided to try it. After taking a few doses I was entirely well of that trouble, and I wish to say further to my readers and fellow sufferers that I am a hale and hearty man today and feel as well as I ever did in my life.—O.
