The New Grocery Firm of Warren & Son

Has succeeded that of Bettman & Warren, and is doing business at the old stand. We are treating our old friends the best we know how, and we want to make the acquaintance of many new ones.

OUR PRICES ARE RIGHT!

Scan our market every morning for Fruits and Vegetables. We are pushing a hot campaign in these articles, and they are always choice.

Full and Fresh Lines of Staple Groceries.

We Haven't Killed Many Bears

But we have hammered away night and day for 16 consecutive years at the prescription counter with the result of having attained the largest prescription file in the county. There's a reason for this. Anyone can dish out patent medicines, but when it comes to filling prescriptions you want a competent man at the tiller, so to speak, with a clear eye and a clear head—in fact, a man who realizes that a human life hangs in the balance. We do this; it's our specialty.

Olin Whitmore, who resided near Laurel, was accidentally shot and killed at a point between Laurel and Newberg, on Sunday. Whitmore and his brother-in-law, a man named Ornduff, were hunting. A grouse flew up and Whitmore fired at it without effect. Ornduff then fled and brought down the bird. Whitmore then started to pick up the bird, and Ornduff was in the act of reloading his gun, when the weapon discharged, and the lead of shot struck Whitmore in the side, completely shattering the left lung. Medical aid was summoned from Newberg and Hillsboro, but all efforts to save the life of the unfortunate man were unavailing, as he soon expired. Whitmore was 39 years of age. He leaves a wife and three children. He was sober and industrious and his death is generally deplored.

NORTH YAMHILL.

A whist club was organized at this place Thursday evening.

Mrs. J. C. McKern and Miss Lizzie Glandon drove to McMinnville last Tuesday.

Mr. Redd of Carlton shipped a car load of hogs from this place Tuesday last.

Mr. and Mrs. Jerry Williams visited relatives and the fair in Portland during last week.

Mrs. John Powell of Canyon City, Grant county, is here visiting her mother Mrs. John Hutchcroft.

Mrs. Lee Langhlin and Mrs. Della Rhude were passengers on the train Wednesday morning for Portland.

G. W. Perkins and Robert Hutchcroft went over to Woodburn, Wednesday, to attend the hopgrowers' meeting at that place.

David Cole of Pike, and his mother and her family will leave for Michigan in about two weeks, where they will make their future home.

It is reported that as the outlook for the hop-growers' combine is going to keep the prices of hops below what they should be, there will be several hundred bales of hops shipped from here direct to London, and a good competent man sent with them, to make sales over there. If the market does not open up in the near future it is likely that the greater portion of the hops from this place will be shipped.

Hops are moving rather slow in this part of the county, the following transfers being about all that have changed hands: C. Obye to A. J. Luce, 25,000 pounds at 10 cents, 20,000 pounds of them being contracted for last spring, so when Mr. Luce came to receive them he took the entire crop of Mr. Obye at the contracted price; J. B. Perkins to Phil Neis, his entire crop at 10 cents; Luther Morris to J. M. Russell, his entire crop at 10½ cents.

Beginning with next Tuesday, Revs. Scott and Smick will begin a series of protracted meetings in the Presbyterian church.

S. D. Percival of Turner is visiting his mother, Mrs. R. C. Percival, who has lately returned from an extended visit in eastern Oregon.

One of the improvements that has been going on in our little burg during the summer was the addition of a small line of groceries and notions taken in connection with the postoffice. Mr. Garrison, our genial postmaster, has this week replenished his stock, until now he can satisfy the most fastidious along those lines. Only united effort on the part of our citizens can make this enterprise a success, and as "patronize home industry" is a good proverb, we should take it to ourselves.

COLUMBUS SCHOOL NOTES.

Well! we have started on the 2d month of school; pupils should be striving in earnest by this time.

Never in the course of this school, has things gone so smoothly as they have so far this year.

Since school began there have been three visitors in the 9th and 10th grades. Isn't this encouraging to the students? It seems to us that we should have a few more visitors.

The pupils all received their rule books last Wednesday. Now parents can find out just what the rules of the school are, by looking over one of these books.

The larger boys have purchased a new football and are having a hot time kicking it, but they are not allowed to get down and swim in the mud.

Hamilton Clark, of Chagney, Ga., says he suffered with itching piles twenty years before trying DWitt's Witch Hazel Salve, two boxes of which completely cured him. Beware of worthless and dangerous counterfeits. Rog-

Licenses to Marry.

Oct. 18—W. S. Larsen, 40, and Mary Hadley, 48, of Dundee. Married by A. V. R. Snyder, J. P.

Oct. 23—James Fletcher, 74, and Mrs. Elener Bosomworth, '68, of McMinnville. J. W. Ladd, 23, and Addie L. Thomas, 23, of Amity.

On the 10th of December, 1897, Rev. S. A. Donahoe, pastor M. E. church, South Pt. Pleasant, W. Va., contracted a severe cold which was attended from the beginning by violent coughing. He says: "After resorting to a number of so-called 'specifies' usually kept in the house, to no purpose, I purchased a bottle of Chamberlain's cough remedy, which acted like a charm. I most cheerfully recommend it to the public." For sale by S. Howorth & Co., druggists.

During the winter of 1897 Mr. James Reed, one of the leading citizens and merchants of Clay, Clay county, W. Va., struck his leg against a cake of ice in such a manner as to bruise it severely. It became very much swollen and pained him so badly that he could not walk without the aid of crutches. He was treated by physicians, also used several kinds of linament and two and a half gallons of whiskey in bathing it, but nothing gave any relief until he began using Chamberlain's Pain Balm. This brought almost a complete cure in a week's time and he believes that had he not used this remedy his leg would have had to be amputated. Pain Balm is unequalled for sprains, bruises and rheumatism. For sale by S. Howorth & Co., druggists.

Wedding Bells.

At the Methodist parsonage in this city on Tuesday, Oct. 24th, Miss Addie L. Thomas and J. W. Ladd of Amity were united in marriage according to the beautiful ritual service of the M. E. church, by Rev. Henry T. Atkinson, its pastor here. Mr. and Mrs. Ladd will continue to make their residence in Amity. They have the hearty congratulations of their friends, whose wishes if realized will result in a future of undimmed radiance for them both.
