The New Grocery Firm of Warren & Son

Has succeeded that of Bettman & Warren, and is doing business at the old stand. We are treating our old friends the best we know how, and we want to make the acquaintance of many new ones.

OUR PRICES ARE RIGHT!

Scan our market every morning for Fruits and Vegetables. We are pushing a hot campaign in these articles, and they are always choice.

Full and Fresh Lines of Staple Groceries.

We Haven't Killed Many Bears

But we have hammered away night and day for 10 consecutive years at the prescription counter with the result of having attained the largest prescription file in the county. There's a reason for this. Anyone can dish out patent medicines, but when it comes to filling prescriptions you want a competent man at the tiller, so to speak, with a clear eye and a clear head—in fact, a man who realizes that a human life hangs in the balance. We do this; it's our specialty.

Summary of Election News.

Returns from the states holding elections last Tuesday indicate that no material change has occurred in the political situation in the various states, except in Maryland, which swings back into the democratic column.

Judge Nash, the republican candidate for governor of Ohio, is elected by from 30,000 to 50,000 plurality. Jones' vote was evidently drawn largely from the democratic party.

The republicans in Kentucky were victorious. W. S. Taylor has been elected governor over Goebel, democrat, by a majority estimated at from 6,000 to 8,000. The entire republican state ticket is probably elected.

J. W. Smith, democrat, is elected governor of Maryland by a plurality of about 3,000.

Republicans have carried New Jersey by about 20,000 plurality. The fusionists have carried Nebraska by from 10,000 to 15,000 majority, electing Ex-Governor Holcomb justice of the supreme court.

In New York, the republicans will have 91 members in the next assembly, the democrats 59, a republican gain of 14. Tammany succeeded in defeating Mazeret in the 19th district. Buffalo, Troy and Albany gave large republican majorities.

The republicans carried Massachusetts by 65,000 majority, and the legislature of 1900 will be republican by the usual large majority.

Barnett, the republican candidate for treasurer in Pennsylvania, has a plurality of 125,000.

In Iowa, Shaw, republican, has about 60,000 plurality.

In Kansas, the republican gain is ten per cent.

The republican majority in South Dakota is about 10,000.

DAYTON.

From the Herald.

D. M. Dorsey, who has been ill for some weeks, is in a very critical condition. On Thursday a telegram was sent to his brother, Hon. Austin Dorsey, of Port Angeles, Wash., and his daughter, Miss Myrtle Dorsey, to come here at once.

A caucus has been called for next Monday evening to make nominations for city officers to be elected at the election to be held Monday, November 20th. A mayor, recorder, treasurer, marshal, and three councilmen are to be elected. A vote is also to be taken "For license and against license."

Geo. S. Downing of Salem, an ex-superintendent of the Oregon penitentiary, and brother to Mrs. Dr. Rossiter of this place, was at Meadow Lake last week in company with several other men, on a hunting and fishing expedition. The party killed one deer, 25 pheasants and caught 949 trout. Pretty good.

Coal has been found on the McDonald farm, known to old residents as the Green place, about 2½ miles north of Lafayette. A lot of it was taken to Portland to have it tested, and experts pronounced it of good quality. John Manta the blacksmith, made a trial of it this week and reports it good. As yet only samples from the surface have been taken out. The coal is hard, something like lignite coal.

B. Gabriel who, this year, had in 15 acres of potatoes, is now having them dug and hauled to his warehouse. They are yielding well, and has a large number of men and boys engaged in gathering the potatoes, and teams employed hauling potatoes to the warehouse. The 9 acres which he had in on the Boire place on the Willamette river bottom yielded about 350 bushels of potatoes to the acre. We would remark in this connection that a man who conducts business, as does Mr. Gabriel, by which he gives employment to many people during the year, is a valued citizen in any community. May prosperity attend him as long as he continues in well doing. And any other man who does a like good work. He will have in all, about 2000 bushels of spuds.

Used by British Soldiers in Africa.

Capt. C. G. Dennison is well known all over Africa as commander of the forces that captured the famous rebel Galishe. Under date of Nov. 4, 1897, from Vryburg, Bechnanaland, he writes: "Before starting on the last campaign I bought a quantity of Chamberlain's colic, cholera and diarrhoea remedy, which I used myself when troubled with bowel complaint, and had given to my men, and in every case it proved most beneficial." For sale by S. Howorth & Co., Druggists.

Tenderly Laid to Rest.

The funeral and burial of John Dumphrey, the faithful engineer on the west side line of the Southern Pacific company, who died suddenly of apoplexy at Hillsboro on Nov. 1st, after 21 years of valuable service on the west side railroad, occurred in this city last Friday. The burial obsequies were in charge of Mrs. Rena Stinson, who several years ago was a resident of McMinnville, and who has since become a valuable assistant to Edward Holman, the leading undertaker of Portland. In the dark hour of death many people are wont to regard all human efforts as powerless to assuage grief, but certain it is that many acts of tender sympathy and manifestations of good taste are possible and effectual in softening sorrow, and giving bereaved ones a sense of loving duty performed. Such seemed the case at this burial. The handsome casket was richly spread with splendid specimens of roses, chrysanthemums, cuttings of foliage and festoons of smilax. The officiating priest, Father J. H. Black read and sang the Latin burial service, with responses from the choir, the fragrant incense was burned, and the priest followed with a lengthy and ably argumentative discourse on the immortality of man, and asked the prayers of all Christians for the peaceful repose of the dead man's soul. The pall-bearers were Sheriff W. G. Henderson, W. L. Warren, Patrick O'Brien, and Engineers Joseph Keough, Wm. Battman and Chas. McCormick of Portland.

Darr-Cooper.

The marriage of Edward Leabo Darr, formerly of Oregon, and Miss Ina P. Cooper, formerly of this city, is announced by letters written by both to Col. and Mrs. J. C. Cooper, as having occurred in Oakland, Calif., on Nov. 2d. The ceremony was to have been performed by President T. G. Brownson, formerly of McMinnville college, but he chanced to be away from home when the contracting parties were looking for him, and the nuptials were solemnized by County Judge Smith. Mr. Darr is a nephew of Mr. O. J. Leabo of this county, and is a commercial traveler for a wholesale dry goods firm in San Francisco, in which city the newly wedded will hold their residence. The Reporter sends greetings, and is already enrolled as a fireside visitor to chronicle the events in "Old Yamhill."

Will He Be Sacrificed?

What's the matter with Capt. H. L. Heath, late of company A, Oregon volunteers, for democratic candidate for congress in this district? Captain Heath is a bright newspaper man, a fearless and efficient officer, and was a pioneer in the union-silver movement in Yamhill county.—Roseburg Review.

Death of Mrs. Esther Chapman.

Mrs. Esther Lucinda Chapman, wife of Wm. Chapman of Sheridan, died on Monday morning, Nov. 6th, of septicaemia, due to a series of carbuncles. She was 73 years old. The golden wedding anniversary of their marriage was celebrated on the 3d of October this year, having been married at Oregon City in 1840. Mrs. Chapman was a survivor of the Whitman massacre, her brother Crockett being killed and she with others was taken prisoner, and after three weeks was liberated by officers of the Hudson Bay Co. Three of Mrs. Chapman's sons and four daughters are still living in Oregon. There are 31 grandchildren, and one great grandchild living, and seven grandchildren dead. Deceased was a faithful member of the Methodist church since 1841.

Columbus School Notes.

Harry Woodrum, formerly of the public schools, but lately of California, has entered the ninth grade.

Next week is review. Those who have applied themselves need not fear the results.

It is with sadness that we mourn the death of our beloved schoolmate, Elmer Dodson. Although he is gone, he is not forgotten. He was always kind and obliging, truthful to his teachers and schoolmates, and excellent in his lessons. In his honor one of the desks in the high school was beautifully decorated with the American flag and delicious flowers, and the pupils attended the funeral at the Christian church in a body. Most of the pall bearers were his class-mates. They were: Walter and Wilbur Long, Earl Rowland, Ray Wisecarver, Charles Winton and J. J. Welch.

Cheaper Traveling than Staying.

The cheap rates of fare to Astoria and back are responsible for some funny things, beside being hurtful to the prosperity of Astoria. John Kiernan, having business with Sam Elmore, of Astoria, went down by rail the other day to see him. On arriving in Astoria he found that Mr. Elmore was in Portland, and by means of the telephone caught him at the Portland and asked him to remain there till he could get back to Portland. Mr. Elmore said he could not do this, as he had to return to Astoria by the next train, and asked Mr. Kiernan to remain all night in Astoria and meet him in the morning. Mr. Kiernan replied that he'd be hanged if he did, as it would cost him a dollar to stay in Astoria all night, while he could come home and back for a half a dollar, and he did.
